SCREW LOCK BLOCK 486 12GA Safety Instruction Guide

Introduction

Thank you for choosing the SCREW LOCK BLOCK 486 12GA by Beretta USA. This safety instruction guide is designed to provide you with essential information for the safe use, installation, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Do not use the product if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of locking hardware.

Specific Safety Precautions for Use

- Always ensure that the locking mechanism is fully engaged before use.
- Avoid using the product in extreme weather conditions, such as heavy rain or snow, which may affect its performance.
- Do not modify or tamper with the product in any way.
- Use appropriate tools when installing or adjusting the product to prevent injury.
- Be cautious of pinch points during installation and operation.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other required hardware.
2. **Select Location:** Choose a secure location for installation, ensuring it is free from obstructions.
3. **Prepare Surface:** Clean the surface where the lock block will be installed to ensure proper adhesion.
4. **Install the Lock Block:**
 - Align the lock block with the predrilled holes.
 - Secure the lock block using screws provided in the package.
 - Ensure that the lock block is firmly attached and does not move.

Usage

1. **Engaging the Lock:** To engage the lock, ensure that the mechanism is fully inserted and turned to the locked position.
2. **Disengaging the Lock:** To disengage, turn the mechanism to the unlocked position and gently pull to remove.
3. **Regular Maintenance:** Periodically check the lock for any signs of wear and ensure it operates smoothly.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options where available.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging or visit the official Beretta USA website.

Please ensure that you keep this safety instruction guide for future reference and share it with anyone who may use the SCREW LOCK BLOCK 486 12GA. Your safety is our priority. Thank you for your attention to these important safety guidelines.
