Introduction

Thank you for choosing the Beretta USA Safety, SST 12GA. This product is designed for safe use in conjunction with your firearm. It is essential to read and understand these safety instructions to ensure proper handling and to minimize risks associated with the use of this product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the safety mechanism is engaged when the firearm is not in use.
- Store the product and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the safety mechanism for proper function before use.
- Be aware of your surroundings and ensure that no one is in the line of fire when handling the firearm.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use of the safety mechanism can lead to accidental discharge.
- Failing to engage the safety can result in unintentional injury.

- **Instructions to Avoid Hazards:**

- Always verify that the safety is in the "safe" position before handling.
- Do not rely solely on the safety mechanism; always follow proper firearm handling procedures.
- Ensure that the firearm is pointed in a safe direction when engaging or disengaging the safety.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in safe firearm handling practices.

Instructions for Installation and Usage

- **Installation:**

- Ensure that the firearm is unloaded and the safety is engaged before beginning installation.
- Follow the manufacturer's guidelines for installing the safety mechanism.
- Use appropriate tools as specified in the product manual to avoid damage.

- **Usage:**

- Always check that the safety is functioning correctly before each use.
- Engage the safety when the firearm is not in use or when you are transporting it.
- Familiarize yourself with the operation of the safety mechanism as outlined in the product manual.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product is no longer in use or is damaged, contact your local waste management authority for proper disposal methods.
