# Safety Instruction Guide for WAA28HS 28 Gauge Shotshell Wads

## Introduction

Thank you for purchasing the WAA28HS 28 Gauge Shotshell Wads by Claybuster. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the wads.

## General Safety Guidelines

- Ensure that you are familiar with the safety regulations and guidelines for handling ammunition and shooting sports.
- Always wear appropriate safety gear, including eye and ear protection, when using shotshells.
- Keep wads and all ammunition out of the reach of children and unauthorized users.
- Store wads in a cool, dry place away from direct sunlight and moisture.
- Regularly check for any recalls or safety notices related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the WAA28HS wads with 3/4 oz. Winchester HS, Remington, or Federal hulls.
- Ensure that your firearm is compatible with 28 gauge ammunition before use.
- Do not exceed the recommended load specifications for your shotshells.
- Inspect the wads for any damage before use. Do not use damaged wads.
- Avoid using wads in any manner other than intended, as this may cause serious injury or property damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the WAA28HS wads, hulls, powder, and shot.
- Ensure your workspace is clean and free from distractions.

### 2. Loading the Wads:

- Open the hull and pour the appropriate amount of powder into it.
- Place the WAA28HS wad gently into the hull, ensuring it fits snugly.
- Add the desired amount of shot (3/4 oz.) on top of the wad.

### 3. Closing the Hull:

- Crimp the hull as per the manufacturer's specifications to ensure a secure seal.
- Doublecheck the integrity of the crimp to avoid any potential issues during firing.

### 4. Firing:

- Load the completed shotshell into your firearm according to the manufacturer's instructions.
- Always follow safe shooting practices when firing your weapon.

## Disposal Instructions

- Dispose of any unused or damaged wads in accordance with local regulations for hazardous waste.

- Do not throw wads in regular household trash. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the WAA28HS 28 Gauge Shotshell Wads, please refer to the EUbased contact point provided with your purchase or consult the manufacturer's website.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your WAA28HS 28 Gauge Shotshell Wads. Always prioritize safety and stay informed about product recalls and safety updates. Thank you for choosing Claybuster.
