TGT12 12 Gauge Shotshell Wads Safety Instructions

Introduction

Thank you for choosing the TGT12 12 Gauge Shotshell Wads by Claybuster. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the wads.

General Safety Guidelines

- Ensure you are familiar with the local laws and regulations regarding the use of shotshell wads and ammunition.
- Always handle shotshell wads with care to prevent accidents.
- Keep all ammunition and components out of reach of children and unauthorized users.
- Use only in appropriate firearms and with compatible ammunition.
- Regularly inspect your equipment and components for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting.
- Do not exceed the recommended load specifications for your shotshell wads.
- Ensure that your shotshell wads are used in compatible tapered hulls, specifically Remington or Winchester.
- Avoid using damaged or defective wads, as they may lead to malfunctions or accidents.
- Never modify the shotshell wads or attempt to use them in an unintended manner.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including shotshell wads, hulls, powder, and primers.
- Ensure your workspace is clean, dry, and free from any distractions.

2. Loading the Shotshells:

- Start by placing the shotshell wad into the hull.
- Ensure that the wad is seated properly and snugly within the hull.
- Add the appropriate amount of powder according to your load specifications.
- Insert the primer into the hull, ensuring it is securely in place.

3. Final Assembly:

- Close the hull as per the manufacturer's instructions.
- Store loaded shotshells in a safe and secure location, away from children and unauthorized users.

4. Shooting:

- Always ensure your firearm is pointed in a safe direction.
- Follow all firearm safety protocols during shooting.
- Be aware of your surroundings and ensure a clear shooting area.

Disposal Instructions

- Dispose of any unused or damaged shotshell wads in accordance with local regulations.
- Do not throw shotshell wads in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the appropriate resources available in your region. Ensure you have the product details on hand when seeking assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your TGT12 12 Gauge Shotshell Wads. Thank you for your attention to safety.
