Safety Instruction Guide for 12 Gauge Shotshell Wads Claybuster

Introduction

Thank you for choosing the 12 Gauge Shotshell Wads from Claybuster. This guide provides essential safety instructions and guidelines to ensure safe use and handling of this product. Please read this document carefully before using the wads to maximize safety and performance.

General Safety Guidelines

- Ensure that all users are trained in the safe handling and usage of ammunition and related components.
- Always follow local laws and regulations regarding the use of firearms and ammunition.
- Store wads in a cool, dry place, away from direct sunlight and moisture.
- Keep wads out of reach of children and unauthorized users.
- Inspect wads for any signs of damage or defects before use.
- Do not use wads that are damaged or show signs of wear.

Specific Safety Precautions for Use

- Only use the Claybuster wads with compatible 12 gauge hulls and loads as specified in the product description.
- Avoid overloading the wads beyond the recommended 3/4 oz. load.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when loading and firing.
- Never point a firearm at anything you do not intend to shoot.
- Do not attempt to modify or alter the wads in any way.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary components: wads, hulls, powder, and shot.
- Ensure your workspace is clean and free of distractions.

2. Loading the Wads:

- Open the hull and place the wad carefully at the bottom.
- Add the appropriate amount of powder according to your chosen load data.
- Measure and add the shot (3/4 oz. recommended) on top of the wad.
- Crimp the hull securely to prevent any leakage of contents.

3. Firing:

- Load the completed shell into your firearm according to the manufacturer's instructions.
- Check the firearm to ensure it is in good working condition before firing.
- Follow safe shooting practices and maintain proper firearm handling.

Disposal Instructions

- Dispose of any unused or damaged wads in accordance with local regulations.
- Do not throw wads in regular household trash.

- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with the Claybuster 12 Gauge Shotshell Wads. Remember to stay informed about product recalls and safety updates by checking the EU's Safety Gate platform. Thank you for your attention to safety.
