# Safety Instruction Guide for FIG 8 12 Gauge Shotshell Wads

## Introduction

Thank you for choosing the FIG 8 12 Gauge Shotshell Wads by Claybuster. This product is designed for use in a variety of shooting applications, including trap, skeet, sporting clay, and hunting loads. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of risks associated with shotshell wads, including improper handling and storage.
- Always use the product in accordance with local laws and regulations.
- Check for recall updates regularly on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using shotshells.
- Do not exceed the recommended load specifications. The optimum load for this product is 11/8 oz.
- Use only in tapered hulls, specifically Remington or Winchester brands, to ensure proper performance.
- Keep the product out of reach of children and unauthorized users.
- Never point a firearm at anything you do not intend to shoot.
- Ensure that the shooting area is clear of people and obstacles before firing.

## Instructions for Installation and Usage

### 1. Preparation:

- Verify that you have the correct gauge (12 Gauge) and type of wads for your shotshells.
- Gather all necessary equipment and safety gear before beginning.

### 2. Loading the Shotshells:

- Open the shotshell hull carefully.
- Insert the FIG 8 12 Gauge Shotshell Wad into the hull, ensuring it is seated properly.
- Add the appropriate amount of shot (11/8 to 11/4 oz. as needed).
- Crimp the hull securely to prevent any leakage of shot or powder.

### 3. Firing:

- Load the shotshell into your firearm as per the manufacturer's instructions.
- Always check the firearm for proper functioning before use.
- Follow all safety protocols while handling and firing the firearm.

### 4. PostUse:

- After use, store the shotshells in a cool, dry place away from children and unauthorized users.
- Dispose of any unused or damaged wads and shotshells in accordance with local regulations.

## **Disposal Instructions**

- Dispose of used or damaged shotshell wads responsibly.
- Follow local regulations for hazardous waste disposal if applicable.
- Do not discard in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FIG 8 12 Gauge Shotshell Wads, please refer to the product packaging for contact information. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience. Thank you for your attention to these important safety guidelines.
