# Safety Instruction Guide for 12SO 12 Gauge Shotshell Wads

## Introduction

Thank you for choosing the 12SO 12 Gauge Shotshell Wads by Claybuster. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the product to ensure your safety and the safety of others.

## General Safety Guidelines

- Always handle shotshell wads with care and keep them out of reach of children.
- Ensure that the product is used only for its intended purpose in accordance with this guide.
- Regularly check for any visible damage to the wads before use. Do not use damaged wads.
- Store the wads in a cool, dry place away from direct sunlight and moisture to maintain their integrity.
- Dispose of any unused or expired wads according to local regulations.

## Specific Safety Precautions for Use

- Use only in appropriate firearms that are designed for 12 gauge shotshells.
- Do not exceed the recommended load specifications (7/8 to 11/8 oz) when using these wads.
- Ensure that your shotshells are properly assembled and that the wads are seated correctly.
- Avoid using wads in any type of firearm that has not been verified for compatibility with 12 gauge shotshells.
- Always wear appropriate personal protective equipment (PPE) such as eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials: 12SO wads, shotshell cases, powder, and shot.
- Ensure your work area is clean and free from distractions.

### 2. Loading the Shotshell:

- Open the shotshell case and pour the appropriate amount of powder into the case.
- Insert the 12SO wad firmly into the case, ensuring it is seated properly.
- Add the desired amount of shot (1 oz is optimal for performance) on top of the wad.
- Crimp the shotshell case according to the manufacturer's instructions to secure the components.

### 3. Firing:

- Load the shotshell into a compatible firearm.
- Follow the firearm manufacturer's instructions for safe operation.
- Always ensure the firearm is pointed in a safe direction before firing.

### 4. PostUse:

- After use, inspect the wads and shotshells for any signs of wear or damage.
- Clean the firearm according to the manufacturer's guidelines.

## **Disposal Instructions**

- Dispose of any unused or expired shotshell wads in accordance with local waste disposal regulations.
- Do not dispose of wads in open flames, as they may pose a fire hazard.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's contact information provided on the packaging or the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with the 1250 12 Gauge Shotshell Wads. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
