Safety Instruction Guide for 12S3 12 Gauge Claybuster Wad

Introduction

Thank you for choosing the 12S3 12 Gauge Claybuster Wad. This product is designed for use in trap, skeet, sporting clays, and hunting loads, specifically for 11/8 to 11/4 oz. applications. To ensure your safety and the safety of others while using this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always handle ammunition and reloading components with care.
- Store wads in a cool, dry place away from direct sunlight and moisture.
- Keep wads out of reach of children and unauthorized users.
- Use only in accordance with the manufacturer's specifications.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that your shotgun is in good working condition before use.
- Only use the 12S3 wads with compatible loads (11/8 to 11/4 oz).
- Use wads specifically designed for use with straight wall cases such as Federal paper or plastic and Fiocchi.
- Do not exceed recommended load limits.
- Always doublecheck for obstructions in the barrel before firing.
- Never point a firearm at anything you do not intend to shoot.
- Ensure that the area around you is clear of people and animals before shooting.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials for reloading, including the 12S3 wads, shotgun shells, and powder.
- Ensure that your workspace is clean and organized.

2. Loading the Wad:

- Open the shotgun shell casing.
- Insert the 12S3 wad into the shell casing, ensuring it is seated correctly.
- Follow the specific reloading instructions for your shotgun and load type.

3. Final Assembly:

- Add the appropriate amount of powder as per your load specifications.
- Close the shell casing securely to prevent any spillage.

4. Shooting:

- Load the completed shell into your shotgun.
- Aim at your target while ensuring safety protocols are followed.

- Fire the shotgun only when it is safe to do so.

Disposal Instructions

- Dispose of any unused wads and reloading materials in accordance with local regulations.
- Do not dispose of wads in regular household waste. Check for local hazardous waste disposal options.
- Ensure that all packaging materials are recycled or discarded responsibly.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 12S3 12 Gauge Claybuster Wad, please reach out to your local distributor or retailer. They can provide you with the necessary information and support related to this product.

By following these safety instructions, you can ensure a safe and enjoyable experience while using the 12S3 12 Gauge Claybuster Wad. Thank you for your attention to safety!
