# Safety Instruction Guide for WAA12SL 12 Gauge Shotshell Wads

## Introduction

Thank you for choosing the WAA12SL 12 Gauge Shotshell Wads by Claybuster. This product is designed for use in 7/8 to 1 oz. trap, skeet, or sporting clay loads. To ensure your safety and the safety of others, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of shotshell wads.
- Always use protective eyewear and hearing protection while handling or shooting.
- Keep out of reach of children and unauthorized users.
- Inspect the wads for any damage before use. Do not use if damaged.
- Store the wads in a cool, dry place away from direct sunlight and moisture.
- Follow all manufacturer recommendations for loading and shooting.

## Specific Safety Precautions for Use

- Use only in compatible firearms designed for 12 gauge ammunition.
- Do not exceed the recommended load of 1 oz. to ensure safe performance.
- Avoid mixing different types of wads or loads in the same ammunition.
- Do not attempt to modify or alter the wads in any way.
- Always follow the instructions provided by your firearm manufacturer regarding ammunition use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials including the WAA12SL wads, hulls, powder, and shot.
- Ensure you are in a safe and controlled environment for loading.

### 2. Loading the Wads:

- Take a wad from the package and inspect it for any signs of damage.
- Place the wad into the hull, ensuring it sits flat at the bottom.
- Add the appropriate amount of powder as per your load recipe.
- Carefully add the shot, ensuring that it does not spill outside the hull.

### 3. Sealing the Hull:

- Use a crimping tool or appropriate method to securely seal the hull.
- Ensure the crimp is tight to prevent any leakage of shot or powder.

### 4. Storage and Handling:

- Store loaded ammunition in a safe location, away from children and unauthorized individuals.
- Handle with care and follow all safety protocols when transporting.

## Disposal Instructions

- Dispose of any unused or damaged wads in accordance with local regulations.

- Do not throw wads in regular household waste. Check with local waste management for proper disposal methods.
- Ensure that any used hulls and wads are stored safely until they can be disposed of properly.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the WAA12SL 12 Gauge Shotshell Wads, please refer to the contact information provided on the product packaging or visit the manufacturer's website for more details.

## **Conclusion**

By following these safety instructions, you can ensure a safer experience while using the WAA12SL 12 Gauge Shotshell Wads. Always prioritize safety and compliance with local regulations to enjoy your shooting activities responsibly. Thank you for your attention to these important safety guidelines.
