WAA12 12 Gauge Shotshell Wads Safety Instructions

Introduction

Thank you for choosing the WAA12 12 Gauge Shotshell Wads by Claybuster. This product is designed for use in trap, skeet, sporting clays, or hunting loads. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle shotshell wads with care to avoid injury.
- Store wads in a cool, dry place away from direct sunlight and moisture.
- Keep wads out of reach of children and pets.
- Ensure that all tools and equipment used with the wads are in good working condition.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Use only with compatible 12 gauge ammunition to avoid potential hazards.
- Check the load specifications to ensure they match the intended use (1 to 15/8 oz).
- Always follow the manufacturer's recommendations for loading and usage.
- Do not exceed the recommended load weight of 11/8 oz for optimal performance.
- Avoid using wads with damaged or deformed components.
- If you experience any issues during use, stop immediately and assess the situation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment, including shotshell wads, hulls, powder, and primers.
- Ensure your workspace is clean and organized.

2. Loading Wads:

- Insert the Claybuster WAA12 wad into the hull, ensuring it fits snugly.
- Follow the reloading data specific to your load to determine the correct powder charge and primer.

3. Sealing the Hull:

- After loading, securely seal the hull according to the manufacturer's specifications.
- Ensure that the crimp is tight to prevent any leakage of components.

4. Storage:

- Store loaded shells in a safe, secure location, away from heat sources and direct sunlight.
- Label storage containers clearly to avoid confusion.

5. Shooting:

- Always check your firearm for proper functioning before use.
- Follow all safety protocols while shooting, including using appropriate backstops and ensuring no

one is downrange.

Disposal Instructions

- Dispose of any unused or damaged wads in accordance with local regulations.
- Do not throw wads into open flames or expose them to extreme heat.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any inquiries or safety concerns regarding the WAA12 12 Gauge Shotshell Wads, please reach out to the appropriate EUbased contact for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WAA12 12 Gauge Shotshell Wads. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
