WAA28 28 Gauge Shotshell Wads Safety Instruction Guide

Introduction

Thank you for choosing the WAA28 28 Gauge Shotshell Wads by Claybuster. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this manual carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Always ensure that you are using the correct wads for your specific shotshell load.
- Keep the product out of reach of children and vulnerable individuals.
- Store wads in a cool, dry place, away from direct sunlight and moisture.
- Regularly check for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only in 3/4 oz. 28 gauge loads, except in the Winchester HS hull.
- Do not exceed the recommended load specifications.
- Always wear appropriate safety gear, such as eye and ear protection, when handling or using shotshells.
- Ensure that your shooting area is safe and that you follow all local regulations regarding shooting activities.
- Do not attempt to modify or alter the wads in any way.

Instructions for Installation and Usage

• Installation:

1. Ensure that your shotshell reloading equipment is clean and in good working condition.
2. Select the appropriate 28 gauge hull for your load.
3. Carefully insert the WAA28 wads into the hull, ensuring a snug fit.
4. Follow your reloading equipment instructions for completing the shotshell assembly.

• Usage:

1. Always check that your firearm is unloaded before handling.
2. Load the shotshells into the firearm only when you are ready to shoot.
3. Aim the firearm in a safe direction and ensure that the area is clear of people and animals.
4. Fire the shotshell only when you are prepared and in a safe environment.
5. After firing, inspect the firearm and spent shells for any abnormalities.

Disposal Instructions

- Dispose of any unused or damaged wads according to local regulations.
- Do not throw wads into open flames or expose them to extreme heat.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance, please consult the appropriate EU contact point for product safety concerns. Ensure that you have the product details at hand for more efficient support.

By following these safety instructions, you can ensure a safer experience while using the WAA28 28 Gauge Shotshell Wads. Always prioritize safety and adhere to local laws and regulations related to shooting and ammunition handling.
