# LIGHTNING 12 GAUGE CLAYBUSTER WAD Safety Instruction Guide

## Introduction

Thank you for choosing the LIGHTNING 12 GAUGE CLAYBUSTER WAD. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand all instructions before use.

## General Safety Guidelines

- Ensure that all users of the LIGHTNING 12 GAUGE CLAYBUSTER WAD are familiar with safe handling and usage practices for ammunition components.
- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Be aware of local laws and regulations regarding the use of wads and ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when loading and shooting, including eye and ear protection.
- Ensure that the firearm being used is compatible with 12 gauge wads and is in good working condition.
- Follow the manufacturer's instructions for loading and using the LIGHTNING 12 GAUGE CLAYBUSTER WAD.
- Avoid overloading the wad beyond its specified capacity (1 oz) to prevent malfunctions or accidents.
- Do not use the product if you notice any physical damage or if it has been exposed to moisture.
- Always handle firearms with care and follow the basic rules of firearm safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary equipment, including your shotgun, ammunition components, and loading tools.
- Ensure your workspace is clean and free of distractions.

### 2. Loading the Wad:

- Insert the LIGHTNING 12 GAUGE CLAYBUSTER WAD into the hull according to the manufacturer's specifications.
- Ensure the wad is seated properly to avoid any issues when firing.

### 3. Filling the Hull:

- Add the appropriate amount of powder, followed by the shot (up to 1 oz), ensuring not to exceed the recommended load.
- Use a reliable scale to measure the powder and shot accurately.

### 4. Crimping:

- Crimp the hull according to the manufacturer's instructions to secure the wad and shot in place.

- Ensure the crimp is tight to prevent any movement during firing.

#### **5. Safety Check:**

- Before firing, doublecheck that the firearm is in good working order and that the ammunition is loaded correctly.

#### **6. Firing:**

- Follow all safety protocols when firing your shotgun. Aim in a safe direction and be aware of your surroundings.

## **Disposal Instructions**

- Dispose of any unused or damaged wads in accordance with local regulations.
- Do not throw the product in regular household waste. Check with local authorities or waste management services for proper disposal methods.
- Ensure that all components are disposed of safely to prevent any risk to the environment or public safety.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the LIGHTNING 12 GAUGE CLAYBUSTER WAD, please contact your local distributor or the manufacturer directly.

By following these guidelines, you can help ensure a safe and enjoyable experience with the LIGHTNING 12 GAUGE CLAYBUSTER WAD. Thank you for your attention to safety and responsible usage.
