# Safety Instruction Guide for WHITE 8 12 Gauge Shotshell Wads

## Introduction

Thank you for choosing the WHITE 8 12 Gauge Shotshell Wads manufactured by Claybuster. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following the instructions provided. This product is designed for use in trap, skeet, sporting clay, or hunting loads.
- **Potential Hazards:** Improper use of shotshell wads can lead to accidents or injuries. Always handle with care.
- **Age Restrictions:** This product is intended for use by individuals who are at least 18 years old. Ensure that minors are supervised if they are present during use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU Safety Gate platform for updates.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle wads with clean, dry hands. Avoid touching the wads with wet or dirty hands to prevent contamination.
- **Storage:** Store wads in a cool, dry place away from direct sunlight and heat sources. Keep out of reach of children and pets.
- **Avoid Damage:** Do not use damaged or deformed wads. Inspect wads before use and discard any that appear compromised.
- **Use Appropriate Loads:** Follow the manufacturer's recommendations for load weights. The optimal load for these wads is 11/8 oz. Do not exceed this weight.
- **Use with Compatible Hulls:** These wads perform best in tapered hulls, specifically Remington or Winchester. Do not use with incompatible hulls.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have the proper equipment for loading shotshells.
- Gather all necessary materials, including the WHITE 8 wads, shot, powder, and hulls.

### 2. Loading Shotshells:

- Follow the steps below to properly load your shotshells:
- Open the shotshell hull and place the appropriate amount of powder according to your load specifications.
- Insert the WHITE 8 wad into the hull, ensuring it is seated correctly.
- Add the desired amount of shot (11/8 oz recommended) on top of the wad.
- Crimp the hull securely to prevent any leakage of shot or powder.

### 3. Testing:

- Before using the loaded shotshells in a shooting environment, conduct a test in a safe area to ensure proper functioning.

- Always wear appropriate eye and ear protection when testing or using shotshells.

## **Disposal Instructions**

- Dispose of any unused or damaged wads in accordance with local regulations. Do not dispose of wads in a manner that could harm the environment.
- If you have leftover components from loading shotshells, ensure they are stored securely or disposed of properly.

## **Contact Information for Further Support**

For any inquiries related to safety or product usage, please refer to the contact information provided with your product packaging or visit the manufacturer's website for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your WHITE 8 12 Gauge Shotshell Wads. Always prioritize safety and adhere to local regulations regarding ammunition and shooting practices. Thank you for your attention to these important guidelines.
