Safety Instruction Guide for WAA12R 12 Gauge Claybuster Wad

Introduction

Thank you for choosing the WAA12R 12 Gauge Claybuster Wad. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's specifications.
- Always store the product in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use. Do not use damaged products.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only in conjunction with approved 12 gauge shotgun shells.
- Ensure you are familiar with the operation of your shotgun before using the wads.
- Wear appropriate safety gear, including eye and ear protection, while handling and using ammunition.
- Do not exceed the recommended load of 13/8 oz. for optimum performance.
- Avoid using in high humidity conditions, as this may affect performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including your 12 gauge shotgun, wads, and approved shotgun shells.
- Ensure your workspace is clean and organized.

2. Loading the Wad:

- Open the shotgun shell casing carefully.
- Place the WAA12R wad into the shell casing, ensuring it fits snugly.
- Add the appropriate amount of powder as per your load specifications.
- Insert the shot (11/8 to 17/8 oz. as needed) into the casing.
- Crimp the shell casing securely to ensure no components are loose.

3. Firing:

- Always point the shotgun in a safe direction.
- Follow all local laws and regulations regarding shooting practices.
- Fire the shotgun only when you are sure of your target and what is beyond it.

4. PostUse:

- Clean your shotgun and dispose of any used wads responsibly.
- Store all ammunition and components in a secure location.

Disposal Instructions

- Dispose of used wads and any other components in accordance with local regulations.
- Do not dispose of wads in regular household waste. Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional information regarding this product, please refer to the manufacturer's website or customer service.

By following these safety instructions, you can ensure a safe and enjoyable experience with the WAA12R 12 Gauge Claybuster Wad. Thank you for your commitment to safety.
