# Safety Instruction Guide for WAA12F114 12 Gauge Shotshell Wads

## Introduction

Thank you for choosing the WAA12F114 12 Gauge Shotshell Wads by Claybuster. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the wads.

## General Safety Guidelines

- Always handle shotshell wads with care to prevent accidental injury.
- Ensure that the product is used in accordance with the specified load requirements.
- Store the wads in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only in 12 gauge shotguns designed for the specified loads of 11/8 to 11/4 oz.
- Ensure that the shotgun is in good working condition before use.
- Always wear appropriate eye and ear protection while shooting.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Never exceed the recommended load of 11/4 oz to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the WAA12F114 wads, shotgun shell components, and tools.
- Ensure your workspace is clean and free of distractions.

### 2. Installation:

- Insert the WAA12F114 wad into the shotgun shell casing.
- Ensure that the wad is seated properly to prevent any misfires or malfunctions.
- Add the appropriate amount of powder and shot as per your load specifications.

### 3. Usage:

- Load the shotgun with the completed shell.
- Aim the shotgun in a safe direction and ensure the area is clear of people and animals.
- Fire the shotgun following standard shooting practices.

## Disposal Instructions

- Dispose of any unused or damaged wads in accordance with local waste disposal regulations.
- Do not incinerate or expose the wads to open flames.
- If you have any leftover components from reloading, ensure they are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of WAA12F114 12 Gauge Shotshell Wads, please contact your local distributor or refer to the EU Safety Gate platform for updates and safety information.

Thank you for prioritizing safety while using the WAA12F114 12 Gauge Shotshell Wads. Your careful attention to these guidelines will help ensure a safe and enjoyable shooting experience.
