WINDJAMMER 12 GAUGE SHOTSHELL WADS

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the WINDJAMMER 12 Gauge Shotshell Wads by CLAYBUSTER. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks and enhance your experience.

General Safety Guidelines

- Always handle shotshell wads with care and store them in a cool, dry place away from direct sunlight.
- Keep all ammunition and reloading components out of reach of children and unauthorized persons.
- Before using the wads, inspect them for any signs of damage or defects. Do not use damaged wads.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Ensure that you are familiar with the operation of your firearm and the specific requirements for its use with shotshell wads.

Specific Safety Precautions for Use

- Use only in 12 Gauge firearms designed for shotshells.
- Ensure that the wads are compatible with the hulls you are using, particularly regarding powder volume.
- Do not exceed the recommended load of 11/8 oz for optimal performance.
- Always wear appropriate eye and ear protection when shooting.
- Use the wads only for their intended purpose—trap, skeet, sporting clay, or hunting loads.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary components: 12 Gauge hulls, powder, primers, and the WINDJAMMER wads.
- Ensure your workspace is clean and organized.

2. Loading the Shotshells:

- Open the hull and insert the appropriate primer according to the manufacturer's instructions.
- Measure and pour the correct amount of powder into the hull.
- Carefully insert the WINDJAMMER wad into the hull, ensuring a snug fit.
- Add shot according to your desired load, ensuring not to exceed the maximum recommended load.
- Crimp the hull securely to prevent any spillage during handling.

3. Shooting:

- Load the shotshell into your firearm as per the manufacturer's guidelines.
- Always check the firearm to ensure it is in good working order before use.
- Follow standard safety procedures when handling and firing your firearm.

Disposal Instructions

- Dispose of any unused or damaged wads and shotshells in accordance with local regulations.
- Do not throw wads in regular household waste. Check for local hazardous waste disposal facilities.
- Ensure all components are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any safety inquiries, product information, or assistance, please refer to the EU-based contact point provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your WINDJAMMER 12 Gauge Shotgun Wads. Always prioritize safety and stay informed about best practices for using ammunition and reloading components. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation (GPSR).
