# WT12 12 Gauge Shotshell Wads Safety Instruction Guide

## Introduction

Thank you for choosing the WT12 12 Gauge Shotshell Wads by Claybuster. This product is designed for use in various shooting applications including trap, skeet, and sporting clay. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle shotshell wads with care to avoid accidents.
- Store wads in a cool, dry place away from direct sunlight and moisture.
- Keep wads out of reach of children and unauthorized users.
- Use wads only for their intended purpose as specified by the manufacturer.
- Regularly check for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that you are using the correct gauge (12 Gauge) for your shotgun.
- Verify compatibility with your specific hull type (tapered hulls, Remington, or Winchester).
- Do not exceed the recommended load of 11/8 oz for optimal performance.
- Wear appropriate safety gear, including eye and ear protection, when shooting.
- Always follow local laws and regulations regarding the use of firearms and ammunition.

## Instructions for Installation and Usage

### 1. Prepare your equipment:

- Gather all necessary materials, including your shotgun, shotshell wads, and ammunition components.

### 2. Load the shotshell:

- Open the shotgun shell and insert the WT12 wads into the hull.
- Ensure that the wad is seated properly and securely.

### 3. Add shot and powder:

- Follow the specific loading instructions for your chosen powder and shot.
- Make sure not to exceed the recommended 11/8 oz load.

### 4. Close the shell:

- Ensure that the shell is properly crimped or sealed to prevent any leakage of components.

### 5. Storage:

- Store loaded shotshells in a secure and dry location.

## **Disposal Instructions**

- Dispose of used or damaged shotshell wads in accordance with local regulations.
- Do not dispose of wads in regular household waste.
- Check for local recycling programs that may accept materials used in ammunition components.

## **Contact Information for Further Support**

For any safety inquiries or additional information, please contact the manufacturer's customer service or visit their official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable shooting experience with your WT12 12 Gauge Shotshell Wads.
