

GUN CLEANER - 8 OZ. PUMP SPRAY CLEANER

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

Technologically-Advanced Formulas Give High-Performance Results

Gets gun bores squeaky clean and shining but is harmless to all metal surfaces, including titanium, aluminum and stainless steel. Actually breaks down carbon so copper and lead fouling float free; completely odorless, non-flammable, non-toxic, biodegradable and environmentally safe to use. Penetrates hydrocarbon-based greases, oils (will damage oil-based stock finishes) and gun powder residues; strips the metal completely clean but leaves a thin, rust inhibiting film with no oily feel. Heat and agitation will accelerate the cleaning action. Can be used as a tank solvent. Not a lubricant.

GUN CLEANER 8 OZ. PUMP SPRAY CLEANER

Safety Instructions

Introduction

Thank you for choosing GUN CLEANER 8 OZ. PUMP SPRAY CLEANER. This product is designed to keep your gun bores clean and shining while being safe for all metal surfaces. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of this product by following these guidelines:
 - Always store the product out of reach of children and pets.
 - Use the product in a wellventilated area to avoid inhalation of any vapors.
 - Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water and seek medical attention if irritation persists.
 - Do not ingest. If swallowed, seek medical advice immediately.
 - Do not use near open flames or sources of ignition as the product is nonflammable but can still produce vapors.
 - Check for any recalls or safety alerts related to the product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using GUN CLEANER, please observe the following precautions:
 - Wear gloves and safety goggles to protect your skin and eyes.
 - Do not apply the cleaner to oilbased stock finishes, as it may cause damage.
 - Avoid prolonged inhalation of spray mist; use a mask if necessary.
 - Do not mix with other cleaning agents or chemicals.
 - Ensure that the spray nozzle is pointed away from yourself and others during application.

Instructions for Installation and Usage

- Follow these steps for safe installation and usage of GUN CLEANER:
 1. **Preparation:**
 - Shake the bottle gently before use.
 - Ensure the area is wellventilated.
 2. **Application:**
 - Hold the pump spray nozzle about 612 inches away from the surface being cleaned.
 - Spray evenly onto the surface of the gun bore, ensuring complete coverage.
 - Allow the product to penetrate for a few moments.
 3. **Cleaning:**
 - Use a clean cloth or brush to remove residues after spraying.
 - Wipe the surface thoroughly to remove any excess cleaner.
 4. **PostUse Care:**
 - After cleaning, ensure the gun is dry before storage or further use.
 - Store the product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Properly dispose of GUN CLEANER as follows:
 - Do not dispose of the product down the drain or in the environment.
 - Follow local regulations for hazardous waste disposal.
 - Empty containers can be recycled if permitted in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding GUN CLEANER, please refer to the appropriate local authorities or regulatory bodies. Always ensure you have the latest product safety information by checking official sources.

Thank you for choosing GUN CLEANER 8 OZ. PUMP SPRAY CLEANER. Your safety and satisfaction are our top priorities.
