

TACTICAL SCOPE BASES - Tactical Bases Winchester 70 Short Action

Rigid, Steel Construction For Maximum Strength

Picatinny tactical bases are precision-machined from steel for maximum strength and reliability. One-piece, Tactical Bases are made from solid bar stock of cold drawn alloy steel, stress relieved for extra strength and uniformity. Available for standard elevation adjustment or with 20 MOA forward angle for extra long range shooting.

TACTICAL SCOPE BASES Safety Instruction Guide

Introduction

Thank you for purchasing the TACTICAL SCOPE BASES for your Winchester 70 Short Action rifle. This guide provides essential safety information and instructions to ensure the safe installation and use of your tactical bases. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the tactical bases are compatible with your specific rifle model. This product is designed for Winchester Model 70.
- Always handle firearms with care and ensure they are pointed in a safe direction.
- Use protective eyewear when installing or using the scope bases.
- Keep the tactical bases out of reach of children and unauthorized users.
- Regularly inspect the tactical bases for any signs of wear or damage before each use.
- If you notice any issues, discontinue use immediately and contact a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the tactical bases.
- Do not exceed the recommended torque specifications when securing the bases to the rifle.
- Avoid using the tactical bases in extreme weather conditions that may affect their performance.
- Be aware of your surroundings and ensure that you are in a safe location when using your rifle.
- Use appropriate ammunition that is compatible with your rifle and intended use.

Instructions for Installation and Usage

1. Installation:

- Start with an unloaded rifle.
- Locate the mounting points on your Winchester Model 70.
- Align the tactical bases with the mounting points.
- Secure the bases using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that the bases are firmly attached before mounting your scope.

2. Usage:

- Once the scope is mounted, ensure it is properly zeroed before use.
- Regularly check the tightness of the bases and scope after use to ensure they remain secure.
- Follow all manufacturer guidelines for the scope you are using in conjunction with the tactical bases.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the tactical bases are damaged beyond repair, dispose of them responsibly. Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TACTICAL SCOPE BASES, please refer to the manufacturer's contact information included with your product packaging. Ensure you have your purchase details ready for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TACTICAL SCOPE BASES. Thank you for prioritizing safety and responsible use.
