Safety Instruction Guide for Wilson Combat AR15/M16 Ejection Port Covers

Introduction

Thank you for choosing the Wilson Combat AR15/M16 Ejection Port Cover. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the product away from children and unauthorized users.
- Regularly inspect the ejection port cover for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you are unsure about any aspect of your firearm or this product, seek professional assistance.

Specific Safety Precautions for Use

- Do not attempt to install the ejection port cover while the firearm is loaded.
- Always ensure that the firearm is pointed in a safe direction when handling.
- Use appropriate protective gear, such as safety glasses, when working on your firearm.
- Do not modify the ejection port cover or any part of the firearm without proper knowledge and expertise.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and the ejection port is clear of any obstructions.
- Gather necessary tools (if applicable).

2. Removing Existing Cover:

- If applicable, remove the existing ejection port cover by carefully detaching it from the upper receiver.

3. Installing the New Cover:

- Align the new Wilson Combat AR15/M16 Ejection Port Cover with the ejection port.
- Securely attach the cover according to the manufacturer's recommendations.
- Ensure that it operates smoothly and does not obstruct the ejection port.

4. Final Check:

- After installation, doublecheck that the cover is properly secured and functioning.

Usage Instructions

- The ejection port cover can be opened and closed manually as needed.
- Always verify that the cover is closed when the firearm is not in use to prevent debris from entering the

chamber.

Disposal Instructions

- Dispose of the ejection port cover in accordance with local regulations.
- If the product is damaged or no longer functional, consider recycling materials where applicable.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or issues related to the Wilson Combat AR15/M16 Ejection Port Cover, please contact your local authorized dealer or visit the Wilson Combat website for more information.

By following these guidelines, you can ensure safe and effective use of your Wilson Combat AR15/M16 Ejection Port Cover. Thank you for prioritizing safety in your firearm practices.
