TRAKLOCK® II GHOST RING SIGHT SET Safety Instruction Guide

Introduction

Thank you for choosing the TRAKLOCK® II GHOST RING SIGHT SET. This product is designed for use with 12gauge shotguns, including Remington models 870, 1100, and 1187. To ensure safe and effective use of this sight set, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the operation of your shotgun before installing or using the TRAKLOCK® II GHOST RING SIGHT SET.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the sight set and all firearms out of reach of children and unauthorized users.
- Use eye protection when shooting to prevent injury from debris or recoil.
- Always follow local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- Do not attempt to modify the sight set or your firearm in any way that is not recommended by the manufacturer.
- Ensure that the sight is securely attached before using the firearm. A loose sight may affect accuracy and could result in injury.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- If you notice any damage to the sight set or your firearm, do not use them until they have been inspected and repaired by a qualified professional.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a hex head screwdriver (not included).

2. Mounting the Sight:

- Locate the mounting area on your shotgun where the sight will be installed.
- Align the TRAKLOCK® II GHOST RING SIGHT SET with the mounting area.
- Use the hex head screwdriver to tighten the screw securely. Do not overtighten, as this may damage the sight or the firearm.

3. Adjusting the Sight:

- Elevation and windage adjustments can be made using the same hex head screw.
- Make small adjustments and test the sighting to achieve optimal accuracy.

Usage Instructions

- Once installed, familiarize yourself with the sight picture.
- Practice shooting at a safe range to become accustomed to the sight.
- Adjust the sight as needed based on your shooting performance.

Disposal Instructions

- Dispose of the TRAKLOCK® II GHOST RING SIGHT SET in accordance with local regulations.
- Do not dispose of the sight set in regular household waste if it contains hazardous materials. Consult local waste management for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

Please ensure you follow all safety instructions and guidelines to maximize your safety and the effectiveness of the TRAKLOCK® II GHOST RING SIGHT SET. Thank you for your attention to these important safety measures.
