MATCHGRADE BARREL for GLOCK® WILSON COMBAT .45 ACP

Introduction

Thank you for choosing the MATCHGRADE BARREL for your GLOCK® 21. This product is designed to enhance the performance of your firearm while ensuring safe usage. Please read this safety instruction guide carefully to understand how to use, install, and dispose of your barrel safely and effectively.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your barrel and firearm away from children and unauthorized users.
- Only use ammunition that is compatible with your firearm and barrel.
- Regularly inspect your barrel for wear or damage before each use.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Follow all local laws and regulations regarding firearm usage and ownership.
- In case of any malfunction or unusual behavior, stop using the product and seek professional assistance.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before installing or removing the barrel.
- Avoid using lead bullets if your barrel is not specifically designed for them.
- Be aware of the barrel's weight (.26 lbs) and ensure your firearm can accommodate it without affecting its balance.
- Minor fitting may be required during installation; do not force the barrel into place.
- Always follow the manufacturer's guidelines for maintenance and cleaning of the barrel.

Instructions for Installation and Usage

1. Installation

- Ensure your GLOCK® 21 is unloaded and pointed in a safe direction.
- Remove the slide from the frame according to the manufacturer's instructions.
- Carefully remove the existing barrel from the slide.
- Align the MATCHGRADE BARREL with the slide and gently insert it.
- Ensure that the barrel is seated properly in the lockup area.
- Reassemble the slide onto the frame, ensuring all components are secure.

2. Usage

- Before firing, check that the barrel is securely installed and that the firearm is functioning correctly.
- Load your firearm with compatible ammunition (e.g., .45 ACP).
- Always aim in a safe direction and be aware of your surroundings when firing.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for metal waste.
- Do not dispose of the barrel in regular household waste.
- If the barrel is damaged or no longer functional, consult with a licensed firearms dealer for proper disposal.

disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MATCHGRADE BARREL, please contact the manufacturer or your local firearms dealer. They will provide you with the necessary support and information.

By following these safety instructions, you will ensure a safer and more enjoyable experience with your MATCHGRADE BARREL for GLOCK® 21. Always prioritize safety and responsible firearm handling.
