RECOIL SPRINGS FOR BENELLI WOLFF USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the RECOIL SPRINGS FOR BENELLI WOLFF. These highcarbon steel recoil springs are designed to enhance the performance of your Benelli shotguns. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the recoil springs by adhering to the following guidelines:
 - Always handle the recoil springs with care to avoid injury.
 - Store the springs in a safe place, out of reach of children and vulnerable individuals.
 - Regularly inspect the springs for wear or damage before use.
 - Use only the recommended recoil springs for your specific model and gauge.
 - Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- When using the RECOIL SPRINGS FOR BENELLI WOLFF, keep the following precautions in mind:
 - Use the Extra Power recoil spring for heavy loads and the Reduced Power for light loads only.
 - Ensure that the recoil springs are properly installed before using your shotgun.
 - Avoid using damaged or worn springs, as they may affect the performance and safety of your firearm.
 - Be aware of the potential hazards associated with improper use, including malfunctioning of the firearm.
 - Always wear appropriate safety gear, including eye and ear protection when using firearms.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the recoil springs:

1. Preparation:

- Ensure that your shotgun is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation.

2. Installation:

- Remove the old recoil spring from your shotgun according to the manufacturer's instructions.
- Inspect the recoil spring housing for any debris or damage.
- Insert the new recoil spring into the recoil spring housing, ensuring it is seated correctly.
- Reassemble your shotgun according to the manufacturer's specifications.

3. Usage:

- Test the firearm with the new recoil spring in a safe environment.
- Monitor the performance of the shotgun during use, paying attention to any unusual sounds or behaviors.
- If you experience any issues, stop using the firearm immediately and consult a qualified

gunsmith.

Disposal Instructions

- When disposing of old recoil springs or any other firearm components, please follow these guidelines:
 - Do not dispose of springs in regular household waste.
 - Contact your local waste management authority for information on proper disposal methods for metal components.
 - Ensure that any disposed items are rendered unusable to prevent accidental injury.

Contact Information for Further Support

- For further inquiries or support regarding the RECOIL SPRINGS FOR BENELLI WOLFF, please consult your local dealer or manufacturer's website for contact information.

Please remember that your safety and the safety of others is of utmost importance. By following these guidelines, you can ensure a safe and enjoyable experience with your Benelli shotgun.
