AK47 Recoil Springs Safety Instructions

Introduction

Thank you for choosing the AK47 Recoil Springs by WOLFF. This product is designed to restore your rifle to its original condition, ensuring reliable operation. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the AK47 Recoil Springs are compatible with your specific model before installation.
- Always handle firearms with care, following all safety protocols and guidelines.
- Store recoil springs in a dry, cool place, away from direct sunlight and moisture.
- Regularly inspect the recoil springs for signs of wear or damage before use.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunctioning of your firearm.
- Damaged or worn springs can cause unreliable cycling of the firearm.
- Always ensure the firearm is unloaded before performing any maintenance.

• Avoiding Hazards:

- Always verify that the firearm is in a safe condition before starting any work.
- Use appropriate tools and follow all installation instructions carefully.
- Do not modify the recoil springs or attempt to use them in a manner not intended by the manufacturer.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

• AgeSpecific Warnings:

- This product is intended for use by adults only. Keep out of reach of minors.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools such as a screwdriver and any specific tools recommended by the firearm manufacturer.

2. Installation Steps:

- Remove the existing recoil spring by following the firearm manufacturer's instructions.
- Inspect the area for any debris or damage.
- Insert the new AK47 Recoil Spring into the designated compartment, ensuring it is seated properly.
- Reassemble any components that were removed during the process.

3. PostInstallation:

- Conduct a function check of the firearm to ensure proper operation.
- If the firearm does not cycle correctly, recheck the installation and consult a qualified gunsmith if needed.

Disposal Instructions

- Dispose of old recoil springs in accordance with local regulations.
- Do not dispose of springs in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please consult the appropriate resources available in your region. Always prioritize safety and compliance with local laws and regulations.

By following these guidelines, you can ensure safe and effective use of the AK47 Recoil Springs. Thank you for your attention to safety and for choosing our product.
