“Aim for the point of the shoulder.” Ever try to teach a new hunter where to shoot a deer? Caldwell® Natural Series™ Targets are the answer to this age-old problem. These cardboard backed, life-size color photographs illustrate both the vital organs and skeletal structure of the animals. These illustrations can be easily viewed up close, yet disappear at a distance, allowing the hunter to practice not only accuracy, but shot placement selection.

Caldwell The Natural Series Whitetail Deer Target

Safety Instructions

Introduction

Thank you for choosing the Caldwell The Natural Series Whitetail Deer Target. This product is designed to assist hunters in practicing shot placement with realistic representations of whitetail deer. To ensure a safe and effective experience, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the target in a safe and controlled environment.
- Ensure the shooting area is clear of people, pets, and any obstructions.
- Wear appropriate safety gear, including eye and ear protection, while shooting.
- Only use the target with suitable firearms or archery equipment as recommended.
- Regularly inspect the target for any signs of damage or wear before use.
- Follow all local laws and regulations regarding shooting and hunting.

Specific Safety Precautions for Use

- Keep the target at a safe distance from spectators and other individuals.
- Do not shoot at the target in high winds or adverse weather conditions.
- Ensure that the target is securely set up to avoid tipping or falling during use.
- Be aware of your surroundings and ensure that there are no hazards in the area.
- Store the target in a dry environment to prevent deterioration.

Instructions for Installation and Usage

Installation

1. Choose a flat, stable surface for setting up the target.
2. Ensure that the area behind the target is safe and free of any potential hazards.
3. Securely attach the target to a stand or backing to prevent it from falling over.
4. If using a cardboard backing, ensure it is positioned correctly to support the target.

Usage

1. Before shooting, confirm that the area is clear and safe.
2. Aim for the point of the shoulder, as indicated on the target, to practice shot placement.
3. After shooting, check the target for damage and replace it if necessary.
4. Dispose of any damaged targets responsibly.

Disposal Instructions

- Dispose of the target in accordance with local waste management regulations.
- Recycle cardboard components if possible.
- Do not burn the target as it may release harmful substances.
