# Caldwell Molded OWB Retention Holsters Tac Ops Holster S&W M&P Shield Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Molded OWB Retention Holster Tac Ops Holster for your S&W M&P Shield. This guide provides essential safety instructions to ensure the safe use and handling of your holster. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the holster is compatible with your specific handgun model before use.
- Always check that your firearm is unloaded before inserting it into the holster.
- Never point the firearm at yourself or others when drawing from or holstering into the holster.
- Avoid exposing the holster to extreme temperatures or chemicals that could damage the polymer material.
- Regularly inspect the holster for any signs of wear or damage. If damaged, discontinue use immediately.
- Store the holster and firearm in a secure location, out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Always use the trigger guard retention lock to secure the firearm in the holster.
- Ensure the holster is properly worn on the body, with the firearm positioned for quick access.
- When drawing the firearm, maintain a firm grip and keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure that you have a clear line of sight when drawing your firearm.
- Avoid using the holster while engaging in activities that may compromise your control over the firearm, such as running or climbing.

## Instructions for Installation and Usage

### 1. Holster Setup

- Ensure that the holster is oriented correctly for your dominant hand (right or left).
- Attach the holster to your belt or waistband securely, ensuring it does not shift during movement.

### 2. Inserting the Handgun

- With the firearm unloaded, hold the holster in one hand and the handgun in the other.
- Align the handgun with the holster, ensuring the trigger guard fits securely within the retention lock.
- Gently push the handgun into the holster until it is fully seated.

### 3. Drawing the Handgun

- Stand in a stable position with your feet shoulderwidth apart.
- Grip the firearm with your dominant hand, ensuring your finger remains off the trigger.
- Release the retention lock by pressing the designated button or lever.
- Draw the firearm smoothly from the holster, maintaining control at all times.

### 4. Reholstering the Handgun

- Always ensure the firearm is pointed in a safe direction.
- Check that the holster is clear of obstructions.
- Insert the handgun back into the holster, ensuring it is properly seated and secured.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations for plastic waste.
- If the holster is damaged beyond repair, consider recycling the material if possible.
- Ensure that any firearmrelated items are disposed of safely and securely to prevent unauthorized access.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Caldwell Molded OWB Retention Holster Tac Ops Holster, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your Caldwell holster and practice safe usage at all times.
