Caldwell Molded OWB Retention Holsters Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Tac Ops Holster for your M1911 handgun. This guide provides essential safety instructions to ensure the proper use and handling of your holster, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the holster is compatible with your specific handgun model to avoid any safety risks.
- Always keep the holster and its contents away from children and vulnerable individuals.
- Regularly inspect the holster for any signs of wear, damage, or deformities that could affect its performance.
- Store the holster in a safe location when not in use to prevent unauthorized access.
- Follow all local laws and regulations regarding the carrying and use of firearms.

Specific Safety Precautions for Use

- Always use the retention lock feature to secure your handgun in the holster.
- Avoid placing the holster in areas where it may be exposed to extreme temperatures or direct sunlight for prolonged periods.
- Ensure that the holster is properly attached to your belt or clothing before use.
- Do not attempt to modify or alter the holster in any way, as this may compromise its safety features.
- When drawing your handgun from the holster, do so in a controlled manner to avoid accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Select a sturdy belt suitable for use with the holster.
- Slide the holster onto the belt, ensuring it is securely positioned at your preferred carry location.
- Adjust the holster angle if necessary for comfort and accessibility.

2. Usage:

- Ensure your handgun is unloaded before placing it into the holster.
- Place the handgun into the holster, ensuring that the trigger guard is properly seated.
- Engage the retention lock to secure the handgun in place.
- When ready to draw your handgun, release the retention lock and pull the handgun smoothly from the holster.

Disposal Instructions

- Dispose of the holster in accordance with local regulations regarding the disposal of plastic and polymer materials.
- If the holster is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or concerns regarding the Caldwell Tac Ops Holster, please reach out to the designated EU

contact point for safety inquiries. Ensure you have the product information available for reference.

By following these safety instructions, you can ensure the safe and effective use of your Caldwell Molded OWB Retention Holster. Always prioritize safety and responsible usage. Thank you for your attention to these guidelines.
