# Caldwell Tac Ops Duty Belt Safety Instructions

## Introduction

Thank you for choosing the Caldwell Tac Ops Duty Belt. This product is designed to provide comfort and security for handgun owners. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the duty belt is properly secured before use.
- Inspect the belt regularly for signs of wear or damage.
- Keep the belt out of reach of children to prevent accidental use.
- Do not exceed the recommended weight limit for the belt to avoid potential failure.
- If you notice any defects or issues, discontinue use immediately and report the problem.

## Specific Safety Precautions for Use

- Ensure that the handgun is unloaded before attaching it to the belt.
- Use the trigger guard retention lock as intended to prevent accidental discharge.
- Avoid using the belt in wet conditions, as this may affect its performance.
- When adjusting the belt, ensure it is not too tight to avoid discomfort or restricted movement.
- Be mindful of your surroundings while wearing the belt to avoid entanglement with objects.

## Instructions for Installation and Usage

### 1. Attaching the Duty Belt:

- Place the belt around your waist, ensuring it is positioned comfortably.
- Adjust the length to fit securely, allowing for some movement without being overly tight.
- Fasten the buckle securely to ensure the belt remains in place during use.

### 2. Using the Retention Holster:

- Insert your handgun into the retention holster, ensuring it is seated properly.
- Engage the trigger guard retention lock to secure the handgun in place.
- To draw the handgun, release the retention lock and practice safe handling techniques.

### 3. Adjusting the Belt:

- To adjust the belt length, locate the adjustment mechanism.
- Pull the excess material through the buckle to achieve a snug fit.
- Ensure that the adjustment does not compromise the integrity of the belt.

### 4. Wearing the Belt:

- Wear the belt over suitable clothing to ensure comfort and accessibility.
- Ensure that the belt does not obstruct your movement or access to other equipment.

## Disposal Instructions

- Dispose of the Caldwell Tac Ops Duty Belt in accordance with local waste disposal regulations.
- If the belt is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the belt in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For inquiries regarding safety, product performance, or to report unsafe conditions, please refer to the contact information provided with your product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
