# Frankford Arsenal Platinum Series Wet/Dry Media Separator Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal Platinum Series Wet/Dry Media Separator. This product is designed to enhance your cleaning processes for brass casing. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product according to the instructions provided in this manual.
- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Avoid using the separator near water or in damp environments to prevent electrical hazards.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the sifter is securely latched before use to prevent spills.
- Use the sifting handles properly to avoid strain or injury.
- Do not overload the separator beyond its capacity.
- Keep hands and loose clothing away from moving parts during operation.
- If using wet media, ensure the tub is adequately secured to avoid leaks.

## Instructions for Installation and Usage

### 1. Setup:

- Place the separator on a flat, stable surface.
- Ensure the spillproof tub is properly positioned to capture any media.

### 2. Using the Separator:

- For dry cleaning:
  - Load the brass into the sifter.
  - Secure the rubber latch.
  - Shake or rotate the sifter gently to allow media to fall through.
- For wet cleaning:
  - Fill the tub with water and add the brass.
  - Use the sifting handles to agitate the media.
  - Ensure the tub captures all water and media.

### 3. PostUse:

- Remove the cleaned brass and dispose of used media responsibly.
- Clean the separator and tub after each use to maintain performance.

## Disposal Instructions

- Dispose of any used media, water, and brass in accordance with local regulations.
- Recycle the separator and its components where applicable. Check local guidelines for recycling information.

## Contact Information for Further Support

For any safety inquiries or concerns, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
