Safety Instruction Guide for Frankford Arsenal Rifle Ammo Boxes #505, 222223 50 ct. Ammo Box Grey (DNR)

Introduction

Thank you for choosing the Frankford Arsenal Rifle Ammo Boxes. These see-through plastic ammo boxes are designed to make storing and identifying your reloaded ammunition easy and efficient. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the ammo boxes are used only for the intended purpose of storing ammunition.
- Store the ammo boxes in a cool, dry place away from direct sunlight and moisture.
- Keep ammo boxes out of reach of children and pets to prevent accidental access.
- Regularly check for any signs of damage to the boxes, such as cracks or broken latches, and replace them if necessary.
- Always handle ammunition with care and follow the manufacturer's guidelines for safe storage and handling.

Specific Safety Precautions for Use

- Always verify that the ammo box is compatible with the specific caliber of ammunition you are using.
- Do not overload the ammo box beyond its specified capacity (50 rounds for this product).
- Avoid exposing the ammo boxes to extreme temperatures, as this may compromise their integrity.
- Use caution when opening the boxes to avoid injury from sharp edges or sudden release of stored ammunition.
- If you notice any unusual odors or discoloration, discontinue use and contact the manufacturer for further guidance.

Instructions for Installation and Usage

1. **Identify the Caliber:** Ensure the ammo box is suitable for 223 Remington or 222 Remington cartridges.
2. **Loading the Ammo:**
 - Open the ammo box by unlatching the lid.
 - Carefully place the ammunition into the box, ensuring that rounds are oriented correctly and not jammed.
 - Close the lid securely and latch it to prevent accidental opening.
3. **Storing the Ammo:**
 - Store the filled ammo box in a designated area that is cool, dry, and secure.
 - Label the box if necessary to identify the contents easily.
4. **Checking for Damage:**
 - Regularly inspect the ammo box for any signs of wear or damage.
 - Replace the box if it shows signs of cracking, warping, or other integrity issues.

Disposal Instructions

- Dispose of damaged or unusable ammo boxes in accordance with local regulations for plastic waste.
- If the boxes are no longer needed, consider recycling them if facilities are available in your area.
- Do not dispose of ammunition in regular waste; follow local guidelines for ammunition disposal.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information included with your product packaging or visit the official website. Remember to check for recall updates on the EU's Safety Gate platform to stay informed about any safety notices related to your product.

Thank you for prioritizing safety while using the Frankford Arsenal Rifle Ammo Boxes. Your careful handling and adherence to these guidelines help ensure a safe experience.
