# Frankford Arsenal Rifle Ammo Boxes Safety Instructions

## Introduction

Thank you for choosing Frankford Arsenal Rifle Ammo Boxes. These see-through plastic ammo boxes are designed for the safe storage and identification of your reloaded ammunition. This guide provides essential safety instructions to ensure the proper use and handling of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammo boxes out of reach of children and unauthorized individuals.
- Inspect the ammo boxes regularly for any signs of damage or wear.
- Do not use ammo boxes that show signs of cracking, warping, or other structural integrity issues.
- Follow all local laws and regulations regarding ammunition storage and handling.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the ammo boxes are suitable for the caliber of ammunition you are storing (e.g., .308 Winchester, .243 Winchester).
- Avoid overloading the ammo boxes beyond their intended capacity (50 rounds per box).
- Do not expose the ammo boxes to extreme temperatures or harsh chemicals.
- Handle the ammo boxes with care to prevent dropping or damaging them.
- Do not modify or alter the ammo boxes in any way.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the ammo boxes from their packaging. Inspect each box for any visible damage.
2. **Loading Ammunition:**
  - Open the ammo box by lifting the lid.
  - Place ammunition into the box, ensuring that the rounds are oriented correctly and not forced into the box.
  - Close the lid securely after loading to protect the ammunition from dirt and moisture.
3. **Storing Ammunition:**
  - Store the loaded ammo boxes in a designated storage area that is cool, dry, and secure.
  - Label the boxes if necessary to indicate the caliber and type of ammunition stored.
4. **Transporting Ammunition:**
  - When transporting ammo boxes, ensure they are secured to prevent movement during transit.
  - Avoid stacking heavy objects on top of the ammo boxes to prevent crushing.

## **Disposal Instructions**

- Dispose of any damaged or unusable ammo boxes in accordance with local regulations.
- Do not burn ammo boxes, as this may release harmful substances.
- Consider recycling the boxes if they are made from recyclable materials, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions regarding the safety and use of Frankford Arsenal Rifle Ammo Boxes, please refer to the contact information provided on the packaging or visit the manufacturer's website for additional support and resources.

By following these safety instructions, you can ensure the safe and effective use of your Frankford Arsenal Rifle Ammo Boxes. Thank you for prioritizing safety while handling ammunition.
