# Frankford Arsenal Rifle Ammo Boxes #211 Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal Rifle Ammo Boxes #211, designed specifically for storing and organizing your reloaded ammunition. This guide provides essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition boxes with care to prevent accidental damage or exposure to hazardous materials.
- Ensure that the ammo boxes are stored in a cool, dry place away from direct sunlight and moisture.
- Keep the ammo boxes out of reach of children and vulnerable individuals to prevent accidental access.
- Regularly check the condition of the ammo boxes for any signs of wear or damage, and replace them if necessary.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only in accordance with the manufacturer's instructions, ensuring that the boxes are suitable for the type of ammunition being stored.
- Do not overload the boxes beyond their intended capacity, which is 20 rounds for the Frankford Arsenal Rifle Ammo Boxes #211.
- Avoid storing different types of ammunition in the same box to prevent confusion and potential safety hazards.
- Ensure that the ammo boxes are securely closed when not in use to prevent accidental opening and spillage of contents.
- Do not use the ammo boxes for any purpose other than storing ammunition.

## Instructions for Installation and Usage

### 1. Unpacking the Ammo Boxes

- Carefully remove the ammo boxes from their packaging.
- Inspect each box for any visible damage or defects before use.

### 2. Loading the Ammo Boxes

- Open the ammo box by lifting the lid.
- Place the ammunition into the box, ensuring that it fits securely and does not exceed the recommended capacity of 20 rounds.
- Close the lid firmly to ensure that the box is securely sealed.

### 3. Storing the Ammo Boxes

- Store the ammo boxes in a designated area that is cool, dry, and away from direct sunlight.
- Keep the boxes upright to prevent any potential spillage or damage to the ammunition.

### 4. Cleaning and Maintenance

- Wipe the exterior of the ammo boxes with a dry cloth to remove dust and debris.

- Do not use harsh chemicals or solvents that may damage the plastic material of the boxes.

## **Disposal Instructions**

- Dispose of any damaged or wornout ammo boxes in accordance with local waste disposal regulations.
- Ensure that any ammunition is properly disposed of following the relevant local laws and guidelines.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Frankford Arsenal Rifle Ammo Boxes #211, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety while using our products. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
