# Frankford Arsenal Rifle Ammo Boxes #211 Safety Instruction Guide

## Introduction

Thank you for choosing the Frankford Arsenal Rifle Ammo Boxes #211, designed for storing and organizing your reloaded ammunition safely and efficiently. This guide provides essential safety instructions and information to ensure the safe use of our product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the ammo boxes are used solely for their intended purpose of storing ammunition.
- Keep the ammo boxes out of reach of children and vulnerable individuals to prevent accidental access.
- Regularly inspect the ammo boxes for any signs of damage or wear. If any defects are found, discontinue use immediately.
- Do not expose the ammo boxes to extreme temperatures, moisture, or direct sunlight, as this may compromise their integrity.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the ammo boxes are closed securely when not in use to prevent accidental opening.
- Do not overload the ammo boxes beyond their intended capacity (20 rounds for this model).
- When handling ammunition, always follow standard safety practices, such as wearing protective eyewear and ensuring the area is clear of hazards.
- Avoid using the ammo boxes for any purpose other than storing ammunition, as misuse can lead to safety risks.

## Instructions for Installation and Usage

### • Storage Setup:

- Choose a dry, cool location for storing your ammo boxes.
- Place the boxes on a stable surface to prevent tipping or falling.

### • Loading the Ammo Box:

- Open the ammo box by releasing the latch.
- Carefully place the ammunition into the box, ensuring not to exceed the maximum capacity of 20 rounds.
- Close the box securely after loading to ensure the contents are protected.

### • Identification:

- Label the boxes if necessary to help identify the contents and caliber. Use a nonpermanent marker to avoid damaging the box.

### • Transporting the Ammo Box:

- When transporting, ensure the box is secured to prevent movement.
- Keep the box upright during transport to avoid accidental opening.

## **Disposal Instructions**

- Dispose of the ammo boxes in accordance with local regulations regarding plastic waste.
- Do not burn the ammo boxes as they may release harmful substances.
- If the boxes are damaged or no longer usable, consider recycling if local facilities allow.

## **Contact Information for Further Support**
