# **Safety Instruction Guide for Frankford Arsenal Rifle Ammo Boxes #515, 270WSM325WSM 50 ct. Ammo Box Blue**

## **Introduction**

Thank you for choosing the Frankford Arsenal Rifle Ammo Boxes. Designed for storing and organizing your reloaded ammunition, these seethrough plastic boxes make it easy to identify your rounds. This guide provides essential safety instructions to ensure the safe use and handling of the product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always keep ammo boxes out of the reach of children and vulnerable individuals.
- Inspect the ammo boxes regularly for any signs of damage or wear.
- Do not exceed the recommended capacity of 50 rounds per box.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Ensure that the ammo boxes are closed securely when not in use.

## **Specific Safety Precautions for Use**

- When handling ammunition, always treat it as if it is live and ready to fire.
- Avoid using damaged or cracked ammo boxes as they may not provide adequate protection.
- Do not store different calibers of ammunition in the same box to prevent confusion and potential misuse.
- Always label your ammo boxes clearly with the caliber and type of ammunition stored inside.
- If you notice any unusual smells, discoloration, or signs of degradation in the ammunition, do not use it and contact a professional.

## **Instructions for Installation and Usage**

- **Storing Your Ammunition:**

1. Open the ammo box by lifting the lid.
2. Place the rounds in the designated slots, ensuring they are seated properly.
3. Close the lid securely to prevent accidental opening.

- **Organizing Your Ammo Boxes:**

1. Group ammo boxes by caliber and type for easy identification.
2. Store the boxes vertically to save space and ensure stability.

- **Transporting Your Ammo Boxes:**

1. Always close and secure the lid before moving the box.
2. Carry the boxes with both hands to avoid dropping them.
3. Do not stack heavy items on top of the ammo boxes during transport.

## **Disposal Instructions**

- Dispose of any empty or damaged ammo boxes in accordance with local regulations.
- Do not incinerate ammo boxes as they may release harmful substances.
- If the ammo box is contaminated with hazardous materials, contact local waste management for proper

disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding this product, please reach out to the designated EU contact point provided with your purchase.

## Conclusion

By following these safety instructions, you can ensure the safe use and storage of your Frankford Arsenal Rifle Ammo Boxes. Always stay informed about potential hazards and adhere to local regulations regarding the handling of ammunition. Thank you for prioritizing safety in your shooting activities.
