# Tipton Magazine Cleaning Brush Safety Instructions

## Introduction

Thank you for choosing the Tipton® Magazine Cleaning Brush. This product is designed to help you effectively clean single or double stack magazines, including AR mags, 1911 mags, and most double stack pistol magazines. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the Tipton Magazine Cleaning Brush as intended.
- Keep the brush out of reach of children and vulnerable individuals.
- Inspect the brush before each use to ensure it is in good condition.
- Do not use the brush if it shows signs of damage or wear.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the brush only for cleaning magazines; do not use it for other purposes.
- Ensure that all firearms are unloaded and safe before cleaning magazines.
- Avoid using excessive force when cleaning to prevent damage to the brush or magazines.
- Do not immerse the brush in liquids; clean it with a damp cloth if necessary.
- Keep the brush away from heat sources and open flames.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather your magazines and any cleaning solvents you plan to use.

### 2. Using the Brush:

- Hold the magazine securely in one hand.
- With the other hand, take the Tipton Magazine Cleaning Brush.
- Gently insert the brush into the magazine and move it back and forth to remove dirt and debris.
- Pay special attention to hardto reach areas inside the magazine.
- After cleaning, inspect the magazine to ensure it is free of debris.

### 3. PostUse Care:

- Clean the brush by wiping it with a damp cloth.
- Store the brush in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the Tipton Magazine Cleaning Brush in accordance with local regulations.
- If the brush is damaged beyond use, consider recycling it if possible.
- Do not dispose of the brush in household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tipton Magazine Cleaning Brush, please refer to the product packaging or visit the manufacturer's website for more information.
