# Tipton Rifle Field Cleaning Kit Safety Instructions

## Introduction

Thank you for choosing the Tipton Rifle Field Cleaning Kit. This guide provides essential safety instructions to ensure the safe use of the cleaning kit. Whether you are a frequent shooter or use your firearm occasionally, following these guidelines will help you maintain your rifle safely and effectively.

## General Safety Guidelines

- Always read and understand all instructions before using the cleaning kit.
- Store the cleaning kit out of reach of children and pets.
- Inspect all tools and components for damage before use. Do not use damaged items.
- Use in a wellventilated area to avoid inhaling cleaning chemicals.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear protective gloves and eyewear when handling cleaning solvents and oils.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not ingest any cleaning solutions or materials.
- Ensure that the firearm is unloaded before cleaning.
- Keep cleaning materials away from heat sources and open flames.
- Dispose of used cleaning materials properly, following local disposal regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your rifle is unloaded.
- Gather all components of the cleaning kit.

### 2. Cleaning Procedure:

- Attach the appropriate cleaning brush or patch to the cleaning rod.
- Apply a small amount of cleaning solvent to the brush or patch.
- Insert the rod into the rifle's barrel from the chamber end and push through to the muzzle.
- Repeat the process until the barrel is clean.
- Use a dry patch to remove excess solvent.

### 3. Final Steps:

- Wipe down external surfaces of the rifle with a clean cloth.
- Apply a light coat of oil to protect metal surfaces from rust.
- Store all components back in the resealable packaging provided.

### 4. Storage:

- Keep the cleaning kit in a cool, dry place.
- Ensure the packaging is sealed to prevent contamination of cleaning materials.

## **Disposal Instructions**

- Dispose of all used cleaning patches and brushes in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents in regular household waste. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions regarding the safety and use of the Tipton Rifle Field Cleaning Kit, please refer to the manufacturer's contact information provided with the product or visit the official website.

Thank you for prioritizing safety while maintaining your firearm. Enjoy your shooting experience!
