

Back Rest "Brick"

[Home](#)

The back rest "Brick" is like the name already says, a back rest designed like a brick. It is an additional rest for your buttock, if you need a little extra height. The wide loop on one side and the robust kevlar coating on the other side make the back rest universal applicable.

ULFHEDNAR Back Rest "Brick" Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Back Rest "Brick." This product is designed to provide additional support and height for your sitting needs. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the back rest is used only for its intended purpose.
- Regularly inspect the back rest for any signs of wear or damage.
- Keep the back rest out of reach of children to prevent accidents.
- Do not use the back rest on unstable or uneven surfaces.
- Always follow the manufacturer's guidelines for use and maintenance.

Specific Safety Precautions for Use

- Avoid placing excessive weight on the back rest beyond its intended use.
- Do not use the back rest if it is damaged or shows signs of wear.
- Ensure that the back rest is securely positioned before sitting on it.
- Use caution when adjusting your position to prevent slipping or falling.
- If using the back rest as a height booster, ensure that it is stable and does not shift during use.

Instructions for Installation and Usage

1. Placement:

- Choose a stable and flat surface for the back rest.
- Position the back rest so that it is securely placed against the back of your chair.

2. Using the Back Rest:

- Sit comfortably on your chair with the back rest positioned at the small of your back.
- Adjust your sitting position as needed to ensure proper support.
- If using the back rest to increase height, ensure that it is stable and will not tip over.

3. Maintenance:

- Clean the back rest regularly with a damp cloth to remove dust and debris.
- Inspect the kevlar coating for any signs of damage or wear.
- Store the back rest in a dry place when not in use to prevent deterioration.

Disposal Instructions

- When disposing of the back rest, please follow local regulations for waste disposal.
- If the product is no longer usable, consider recycling it if possible.
- Ensure that any materials are disposed of safely to prevent environmental harm.
