ULFHEDNAR VelcroPatch Norwegian Flag Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR VelcroPatch featuring the Norwegian Flag. This guide provides essential safety information to ensure the safe use of your product. Please read these instructions carefully before using the patch.

General Safety Guidelines

- Ensure that the patch is used as intended and avoid any misuse.
- Keep the patch out of reach of young children to prevent choking hazards.
- Regularly inspect the patch for any signs of damage or wear. Do not use if damaged.
- If you experience any allergic reactions to the materials, discontinue use immediately.
- Follow all local regulations regarding textile products and their usage.

Specific Safety Precautions for Use

- The patch is designed for decorative purposes only. Do not use it in any way that may cause harm to yourself or others.
- Avoid exposing the patch to extreme temperatures or direct sunlight for extended periods, as this may affect its integrity.
- Ensure that the Velcro adheres properly to the intended surface before use to prevent accidental detachment.
- Do not apply excessive force when attaching or removing the patch to avoid damaging the Velcro.

Instructions for Installation and Usage

1. **Selecting the Surface:** Choose a clean, dry, and flat surface for attaching the VelcroPatch.
2. **Attaching the Patch:**
 - Peel off the protective backing from the Velcro side of the patch.
 - Firmly press the patch onto the chosen surface, ensuring it is securely attached.
3. **Removing the Patch:**
 - Gently peel the patch away from the surface, taking care not to pull or tug too hard.
 - If necessary, clean the surface with a damp cloth to remove any residue left by the Velcro.
4. **Cleaning the Patch:**
 - If the patch becomes dirty, clean it with a damp cloth. Do not machine wash or dry clean.
 - Allow the patch to air dry completely before reattaching.

Disposal Instructions

- Dispose of the patch responsibly in accordance with local waste disposal regulations.
- If the patch is damaged or no longer usable, consider recycling the materials if possible.
