

Tikka T3X TAC A1 Bipod - BLK LBL BIPOD BLK LBL BIPOD Tikka T3X TAC A1 Bipod

THE MOST RADICAL NEW-CONCEPT BIPOD EVER

Balanced. Integrated. Accurate.

The **BLK LBL Bipod**'s innovative barrel-through design allows the rifle to sit 'in' the bipod, rather than 'on' it, with the center of rotation of the bipod effectively centered on the bore, making it inherently more stable. The result is a balanced rifle without the top-heavy tendencies that can come from large optics. The ball and socket joint provide fluid movement for improved target acquisition and accuracy. With 40 degrees of pan and 15 degrees of cant in each direction, adjusting leg length to level your scope is a thing of the past.

BLK LBL was borne out of the question:

Why is something as practical as a bipod still an impractical attachment?

When not deployed, the legs of the BLK LBL Bipod easily fold to the rear, flush with the hand guard. This means they won't catch on clothing, gear or branches when you're on the move, and won't interfere when shooting off hand, from a barricade, or even when storing your rifle.

A Passion for Precision

With improved accuracy, lightweight construction, added stability and an expanded range of motion, the BLK LBL Bipod is the new pinnacle of bipod technology. Whether you're in law enforcement, the armed forces, a sport shooter or hunting in the great outdoors, this bipod gives you exactly what you're looking for; improved performance.

Competitive & Sport Shooters

The BLK LBL Bipod provides improved accuracy and proven stability in all sport shooting competition situations, while the stowed bipod legs won't interfere when on the move or shooting offhand.

Outdoorsmen & Hunters:

The integrated design of the folding BLK LBL Bipod means no more catching your bipod legs on heavy brush or branches, your clothes or even your rifle case when stowing. Plus the added stability and accuracy means more precise shots, which means more accurate, more ethical kills.

Law Enforcement & Armed Forces:

Safety, stability and control. It applies to law enforcement, as well as the BLK LBL Bipod. Of course, improved accuracy means fewer rounds expended, which results in a quicker, safer resolution of situations where protecting citizens and ensuring public safety is of primary importance.

Whether it's the stability only a bipod can provide from a set firing position, or easy handling in close quarters, the integrated design of the BLK LBL Bipod gives soldiers and their fireteam added confidence and effectiveness in nearly any situation.

Manufactured specifically for integration with **AR-10 rifles**, this exclusive BLK LBL bipod is crafted from durable anodized aluminum and stainless steel and features our revolutionary barrel-through design, swiveling ball-and-socket joint and extendable, rear-folding integrated legs.

A replacement barrel nut is included and mounts to any mil-spec upper receiver using a standard armoursers wrench.

Requires the rifle to have a low profile gas block.

Sicherheitshinweise für das BLK LBL BIPOD Tikka T3X TAC A1

Einführung

Herzlichen Glückwunsch zum Kauf des BLK LBL BIPOD Tikka T3X TAC A1. Dieses Produkt wurde entwickelt, um Ihnen bei der Verbesserung Ihrer Schießgenauigkeit und Stabilität zu helfen. Bitte lesen Sie die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stellen Sie sicher, dass Sie die Bedienungsanleitung vollständig verstanden haben, bevor Sie das Produkt verwenden.
- Verwenden Sie das Produkt nur für den vorgesehenen Zweck.
- Halten Sie das Produkt außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Überprüfen Sie das Produkt regelmäßig auf Beschädigungen oder Abnutzung.
- Bei der Verwendung des BIPODs sollten Sie stets auf Ihre Umgebung achten, um Unfälle zu vermeiden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwenden Sie das BIPOD nur mit kompatiblen Gewehren, insbesondere mit Tikka T3X TAC A1 und deren Varianten.
- Achten Sie darauf, dass das BIPOD sicher und stabil montiert ist, bevor Sie das Gewehr verwenden.
- Führen Sie keine Modifikationen am BIPOD durch, da dies die Sicherheit beeinträchtigen kann.
- Verwenden Sie das BIPOD nicht in extremen Wetterbedingungen, die seine Funktionalität beeinträchtigen könnten.
- Achten Sie darauf, dass das BIPOD beim Schießen nicht im Weg ist, um Verletzungen zu vermeiden.

Anweisungen zur Installation und Nutzung

1. Installation:

- Entfernen Sie das BIPOD aus der Verpackung und überprüfen Sie den Lieferumfang.
- Befestigen Sie die Laufmutter an Ihrem Gewehr gemäß den Anweisungen in der Bedienungsanleitung.
- Stellen Sie sicher, dass das BIPOD fest sitzt und keine Lockerheit aufweist.

2. Nutzung:

- Klappen Sie das BIPOD aus, wenn Sie es benötigen, und stellen Sie sicher, dass es stabil steht.
- Justieren Sie den Schwenk und Neigungswinkel nach Bedarf, um die gewünschte Position zu erreichen.
- Achten Sie darauf, das BIPOD nach der Nutzung wieder zurückzuklappen, um Beschädigungen zu vermeiden.

Entsorgungsanweisungen

- Entsorgen Sie das Produkt gemäß den örtlichen Vorschriften für Elektro und Elektronikgeräte.
- Trennen Sie alle Materialien, die recycelbar sind, und entsorgen Sie sie entsprechend.
- Werfen Sie das Produkt nicht in den normalen Hausmüll.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu Ihrem Produkt können Sie sich an den Hersteller oder den Händler wenden. Bitte halten Sie die Produktinformationen bereit, um eine schnellere Bearbeitung zu gewährleisten.

Bitte beachten Sie, dass die oben genannten Sicherheitsrichtlinien und Anweisungen dazu dienen, Ihre Sicherheit und die Sicherheit anderer zu gewährleisten. Bei Fragen oder Unsicherheiten wenden Sie sich bitte an einen Fachmann oder den Kundendienst.

BLK LBL BIPOD Safety Instruction Guide

Introduction

Thank you for choosing the BLK LBL BIPOD for your Tikka T3X TAC A1 rifle. This guide is designed to provide essential safety information and instructions for the proper use, installation, and maintenance of the bipod. By following these guidelines, you can ensure a safe and effective experience while using your bipod.

General Safety Guidelines

- Ensure that the bipod is installed correctly and securely on your rifle before use.
- Always check the bipod for any signs of damage or wear before each use.
- Do not exceed the recommended weight limit for the bipod to maintain stability and safety.
- Use the bipod only for its intended purpose; do not modify or alter the bipod in any way.
- Keep the bipod and its components out of reach of children and vulnerable individuals.
- When using the bipod, ensure that the surrounding area is clear of obstacles and hazards.
- Always handle firearms responsibly and in accordance with local laws and regulations.

Specific Safety Precautions for Use

- Before deploying the bipod, ensure that the rifle is unloaded and pointed in a safe direction.
- When adjusting the bipod legs, do so slowly and carefully to avoid sudden movements that could affect stability.
- Be cautious of the bipod legs when moving through dense brush or uneven terrain to prevent snags or falls.
- Maintain a firm grip on the rifle when using the bipod to prevent accidental discharges or slips.
- Avoid using the bipod in extreme weather conditions that could affect its performance or your safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Tikka T3X TAC A1 rifle has a lowprofile gas block.
- Use the included replacement barrel nut and an armorers wrench to securely mount the bipod to the milspec upper receiver.
- Confirm that the bipod is firmly attached and does not wobble or shift.

2. Usage:

- To deploy the bipod, pull the legs downward until they click into place.
- Adjust the leg length as needed for your shooting position.
- Utilize the ballandsocket joint for smooth movement and optimal positioning.
- When finished, fold the bipod legs back to the rear, ensuring they are flush with the hand guard for safe transport.

Disposal Instructions

- Dispose of the BLK LBL BIPOD in accordance with local regulations regarding electronic and metal waste.
- If you need to dispose of the bipod, consider recycling it if possible, or follow your local waste management guidelines.

Contact Information for Further Support

For any safety inquiries or support related to the BLK LBL BIPOD, please reach out to the designated EU contact point for assistance.

By adhering to the above guidelines, you can enjoy the benefits of the BLK LBL BIPOD while ensuring your safety and the safety of others. Thank you for your attention to these important safety instructions.
