

Spike Feet for Bipod

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Are you missing something on your revolutionary BLK LBL bipod?

Then this can only be the exclusive spike feet, which are compatible with all BLK LBL bipods.

Never have to pay attention to the surface again when shooting

No matter what surface, or what weather conditions you and your rifle are in, with the spike feets you will always and everywhere have the perfect fit and hold.

Exchange made easy

Easy replacement of the spike feets takes only a few seconds, thanks to the revolutionary bipod-system from BLK LBL.

Made for every situation

Whether shooting at the shooting range or hunting in the wild. With the spike feets there is no obstacle for you anymore.

But if you're now asking yourself: "What exactly are these great bipods from BLK LBL?", Then stop wasting time and take a look at the different variants here in our shop.

Worth watching. But buying and convincing yourself is even more worthwhile.

Safety Instruction Guide for BLK LBL BIPOD Spike Feet

Introduction

Thank you for choosing the BLK LBL BIPOD Spike Feet. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before using the spike feet to maximize your safety and the product's performance.

General Safety Guidelines

- Ensure that the spike feet are compatible with your BLK LBL bipod model.
- Regularly inspect the spike feet for wear and damage before each use. Do not use if damaged.
- Use the spike feet only for their intended purpose, which is to provide stability for your bipod on various surfaces.
- Keep the spike feet out of reach of children and pets when not in use.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the spike feet are securely attached to the bipod before use.
- Avoid using the bipod with spike feet on hard or slippery surfaces where stability may be compromised.
- Be cautious in extreme weather conditions, as they may affect the performance of the spike feet.
- Do not exceed the weight limit recommended for your bipod model when using spike feet.
- If you notice any instability during use, stop using the bipod immediately and check the spike feet for any issues.

Instructions for Installation and Usage

1. Installation of Spike Feet

- Remove the existing feet from your BLK LBL bipod by twisting them counterclockwise.
- Align the new spike feet with the attachment point on the bipod.
- Twist the spike feet clockwise until they are securely attached.

2. Usage of Spike Feet

- Position the bipod on the desired surface. Ensure that the spike feet penetrate the ground for better stability.
- Adjust the height of the bipod according to your shooting position.
- Always check that the bipod is stable before taking aim.

3. Maintenance

- Clean the spike feet after each use to remove dirt and debris.
- Store the spike feet in a dry place to prevent deterioration of materials.

Disposal Instructions

- Dispose of the spike feet in accordance with local regulations regarding plastic and rubber waste.
- Do not dispose of the spike feet in regular household waste if they can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the BLK LBL BIPOD Spike Feet, please refer to the manufacturer's contact points available on their official website or product packaging.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with confidence, knowing you have taken the necessary precautions for safe use of your BLK LBL BIPOD Spike Feet.
