Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! - the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design - no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers - two on the triggerfinger - ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

## **Important notice:**

**The gloves are very tightly cut, but will adapt to the hand of the wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.**

**Please take a look at the size chart for PIG gloves sizes!**

# PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Coyote Safety Instructions

## Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Coyote. This product has been designed with highquality materials and advanced technology for optimal performance in tactical shooting. To ensure your safety and the longevity of the gloves, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Product Safety: This product has been tested to ensure safe use and complies with the EU General Product Safety Regulation (GPSR).
- Enhanced Recalls: In the event of a product recall, standardized notices will be provided, and remedies will be available free of charge for dangerous products.
- Online Shopping: When purchasing online, you receive the same safety protections as you would in physical stores.
- Special Consumer Focus: Extra safeguards are in place for vulnerable groups, including children.
- EU Contact Point: For any safety inquiries, ensure you have access to an EUbased contact.
- Rapid Alerts: Stay informed about unsafe products through the Safety Gate system, which provides faster updates.

## Specific Safety Precautions for Use

- Ensure the gloves fit snugly but comfortably. The gloves are designed to adapt to the shape of your hands over time.
- Avoid using the gloves in wet conditions, as moisture may reduce grip and effectiveness.
- Do not use the gloves for activities outside their intended purpose, such as heavy lifting or handling sharp objects.
- Be cautious when using the touchscreen features while wearing the gloves to avoid accidental inputs.
- Inspect the gloves regularly for signs of wear and tear. Replace them if you notice any damage.
- Keep the gloves away from fire and extreme heat sources to prevent material degradation.

## Instructions for Installation and Usage

### • Wearing the Gloves:

- Slide your hands into the gloves, ensuring that each finger fits comfortably into its designated slot.
- Adjust the velcro fastener on the inside of the wrist for a secure fit. Ensure it is not too tight to allow for unrestricted movement.

### • Using the Touchscreen Features:

- The fingertips of the thumb and index finger are made from touchscreencompatible material. Use these areas to interact with your smartphone or other devices.
- Avoid pressing too hard on the screen to maintain the integrity of the glove's material.

### • Cleaning and Maintenance:

- Hand wash the gloves with mild soap and water. Avoid using bleach or harsh chemicals.
- Air dry the gloves away from direct sunlight and heat sources to prevent damage.

## **Disposal Instructions**

- Dispose of the gloves responsibly by following local regulations for textile waste.
- If the gloves are damaged and cannot be reused, please consider recycling the materials if possible.

## **Contact Information for Further Support**
