

PIG Full Dexterity Tactical (FDT) Delta Utility Glove - Coyote - SKD TACTICAL PIG Full Dexterity Tactical (FDT) Delta Utility Glove - Coyote - S

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

The newest gloves of the PIG product series, the Full Dexterity Tactical (FDT) Delta Utility!

This Slip-On glove offers many popular features of the famous FDT-Models and that for a small price. Design and function devote itself to shooters and craftsmen, the high-tech materials are chosen therefore. The shape of the gloves suits perfectly onto the hand of its user and therefore makes free movement and a secure grip possible. Also for modern requirements – like operating a smartphone – are being considered. These can be used through special insoles in thumb and indexfinger.

AVAILABLE

The most important specs:

- Single Layer Design, for a better feeling and more grip.
- Paracord loop so you can hang up the gloves.
- Elastic material on the back of the hand for even more comfort in movements.
- With silicon coated inner surfaces for a better grip.
- Touchscreen compatible with thumb and indexfinger, for the operation with a smartphone.
- Slip-On Design without velcro fastener.

Important notice:

The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.

Please take a look at the size chart for PIG gloves sizes!

PIG Full Dexterity Tactical (FDT) Delta Utility Glove Coyote Safety Instructions

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Delta Utility Glove Coyote. This product is designed to provide you with excellent dexterity and grip while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the gloves safely and effectively.

General Safety Guidelines

- Ensure that the gloves fit properly before use. The gloves are designed to adapt to the shape of your hand.
- Inspect the gloves for any damage or defects before each use. If you notice any issues, do not use the gloves.
- Keep the gloves away from sharp objects and extreme heat to avoid damage.
- Use the gloves only for their intended purpose. They are designed for tactical and utility use.
- Be aware of your surroundings while using the gloves, especially when handling tools or equipment.
- If you experience any discomfort or allergic reactions while wearing the gloves, remove them immediately and consult a medical professional.

Specific Safety Precautions for Use

- The gloves are tightly cut; it is recommended to wear them in everyday situations before engaging in tactical activities.
- Ensure that the gloves are dry before use, as wet gloves can reduce grip and increase the risk of accidents.
- Avoid using the gloves in environments where they may come into contact with hazardous materials unless they are specifically designed for such use.
- When using touchscreen devices, ensure that your fingers are clean to maintain the functionality of the touchscreen compatibility.
- Do not use the gloves if you have a known allergy to any materials used in their construction.

Instructions for Installation and Usage

1. Putting on the Gloves:

- Slip the gloves onto your hands, ensuring a snug fit.
- Adjust the gloves as necessary to ensure comfort and mobility.

2. Using the Gloves:

- When handling tools or equipment, maintain a firm grip to prevent slippage.
- For touchscreen use, ensure the thumb and index finger are positioned on the device screen.

3. After Use:

- Remove the gloves carefully to avoid tearing.
- Clean the gloves according to the manufacturer's recommendations to maintain their condition.

Disposal Instructions

- When the gloves are no longer usable, dispose of them in accordance with local waste management regulations.
- Do not burn the gloves, as this may release harmful substances.
