

# **CLEANING ROD FOR HANDGUNS, FUN-LINE SPORT, ALUMINIUM ALLOY - FOR CAL. .22-6.5MM - Cleaning Rod for Handguns, Fun-Line Sport, Aluminum Alloy - for Cal. .22-6.5mm**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The cleaning rods are made of stainless steel (Power-Line Profi) or a lighter aluminum alloy (Fun-Line Sport) with a non-slip and ergonomic polyamide handle. This contains two maintenance-free and smooth-running ball bearings, so that the VFG barrel cleaner screwed onto the adapter can follow the movements during the cleaning process.

Depending on the application, we recommend the 1- or 3-part cleaning rod. The advantage of the one-piece design is the stability - the three-piece impresses with its compact design, e.g. on the go. The three-part design can be used universally for long and short weapons and therefore offers an additional benefit.

# **Safety Instruction Guide for CLEANING ROD FOR HANDGUNS, FUNLINE SPORT, ALUMINIUM ALLOY FOR CAL. .22-6.5MM**

## **Introduction**

Thank you for choosing the FunLine Sport Cleaning Rod for Handguns. This product is designed to provide effective cleaning for firearms in the caliber range of .22 to 6.5mm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure that you are familiar with the proper handling and maintenance of firearms before using this cleaning rod.
- Always use the cleaning rod in a wellventilated area.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## **Specific Safety Precautions for Use**

- Use the cleaning rod only for its intended purpose: cleaning firearms in the specified caliber range.
- Do not apply excessive force when using the cleaning rod to avoid damaging the firearm or the rod itself.
- Always ensure that the firearm is unloaded before cleaning.
- Wear protective eyewear to prevent debris from entering your eyes during the cleaning process.
- Store the cleaning rod in a safe place when not in use to prevent accidents.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is completely unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including cleaning solvent, patches, and the cleaning rod.

### **2. Assembling the Cleaning Rod:**

- If using the 3part cleaning rod, connect the sections securely by screwing them together.
- Attach the VFG barrel cleaner to the adapter at the end of the cleaning rod.

### **3. Using the Cleaning Rod:**

- Insert the cleaning rod into the barrel of the firearm gently.
- Move the cleaning rod back and forth in a smooth motion to clean the barrel.
- Avoid using excessive force; let the weight of the cleaning rod do the work.
- After cleaning, remove the cleaning rod and inspect the barrel for cleanliness.

### **4. PostCleaning:**

- Clean the cleaning rod with a suitable solvent and dry it thoroughly before storage.
- Store the cleaning rod in a dry and safe location, away from children and pets.

## Disposal Instructions

- Dispose of the cleaning rod responsibly at a designated recycling facility or according to local waste disposal regulations.
- Do not throw the cleaning rod in regular household waste.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the official contact points provided by the manufacturer.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearms. Thank you for your attention to safety and compliance with the EU GPSR.
