

Bipod - GRND Pod - ARCA RRS Dovetail - Green

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The MDT GRND-Pod (pronounced "Ground-Pod") was developed for the shooter wanting a stable and secure platform to shoot off of without breaking the bank.

The MDT GRND-Pod is designed to adapt to the picatinny and RRS Dovetail/ARCA mounting interfaces and offers shooters a one hand adjustable height range from 4.5" - 9", with 4-locking positions in the 0°, 50°, 90° and 180° positions.

The MDT GRND-Pod legs are also Atlas/Ckye-Pod foot compatible and can be fully extended just by pulling down on the legs in any position!

BIPOD GRND POD Safety Instructions

Introduction

Thank you for choosing the MDT GRNDPod. This bipod is designed to provide a stable and secure shooting platform, ensuring a reliable experience without compromising safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the bipod is compatible with your firearm and mounting interface before use.
- Always inspect the bipod for any damages or defects before each use.
- Use the bipod only for its intended purpose as specified in this guide.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the bipod on stable surfaces to prevent tipping or falling.
- Always ensure that the adjustable height is locked securely before shooting.
- Do not exceed the maximum height or weight limits specified in the product specifications.
- Avoid using the bipod in extreme weather conditions that may affect its stability or performance.
- Do not modify the bipod in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before attaching the bipod.
- Align the bipod with the picatinny or RRS Dovetail/ARCA mounting interface on your firearm.
- Securely attach the bipod, ensuring that it is locked into place.

2. Adjusting Height:

- To adjust the height, pull down on the legs of the bipod.
- Select the desired height position (4.5" to 9") and ensure it is locked in place.

3. Using the Bipod:

- Place the bipod on a stable surface.
- Ensure the legs are fully extended and locked before shooting.
- Adjust the cant range as necessary (up to 40°) for optimal shooting position.

4. PostUse Care:

- After use, clean the bipod to remove dirt or debris.
- Store the bipod in a safe location, away from children and pets.

Disposal Instructions

- Dispose of the bipod according to local regulations for electronic and nonelectronic waste.
- If the bipod is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential hazards to the environment.

Contact Information for Further Support

For any questions or concerns regarding the MDT GRNDPod, please contact your local distributor or manufacturer. Ensure that you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT GRNDPod. Thank you for your attention to safety.
