

# Foundation Takedown Chassis w/ Folding Stock/Forend/Grip

The Foundation is literally the cornerstone of Grey Birch, the company, the solid ground on which we will build our house. The end goal in building the Foundation has always been a lightweight, modular, adjustable and secure base to firmly house the barreled action in place from two locations. Everything builds off a firm Foundation.

The Foundation is a modular chassis system built around the 10/22® platform. The Foundation is packed with features to enhance the shooting experience with configurations ranging from short range race gun to long range precision.

# Foundation Takedown Chassis Safety Instructions

## Introduction

Thank you for choosing the Foundation Takedown Chassis with Folding Stock, Forend, and Grip. This product is designed to provide a lightweight, modular, and adjustable platform for your shooting experience. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your firearm and chassis as if they are loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store your firearm and chassis in a secure location, away from unauthorized users, especially children.
- Be aware of your surroundings and ensure a clear shooting area.
- Wear appropriate eye and ear protection while shooting.
- Do not modify or alter the chassis in any way that is not specified by the manufacturer.
- Regularly inspect the chassis for wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards such as:
  - Improper handling of firearms.
  - Inadequate maintenance leading to malfunction.
  - Use of incompatible accessories or modifications.
- **Age Restrictions:** This product is intended for adult users. Ensure that minors are supervised by a responsible adult when handling firearms.
- **Emergency Procedures:** In case of an emergency or malfunction, cease use immediately and seek professional assistance.

## Instructions for Installation and Usage

### Installation

1. **Unboxing:** Carefully remove the Foundation Takedown Chassis from the packaging. Inspect all components for damage.
2. **Mounting the Chassis:**
  - Ensure the firearm is unloaded before proceeding.
  - Align the barreled action of the firearm with the mounting points on the chassis.
  - Secure the barreled action using the provided screws, ensuring a tight fit.
3. **Adjusting the Stock and Forend:**
  - Adjust the length of pull and cheek height according to your preference.
  - Attach the modular forend options as desired, ensuring compatibility with MLoc and ArcaSwiss systems.

### Usage

- **Magazine Changes:** Utilize the magwell cutout for easy magazine changes. Practice magazine changes in a safe environment to ensure proficiency.
- **Shooting:** When ready to shoot, ensure all safety precautions are followed. Maintain a firm grip on the chassis while aiming.
- **Maintenance:** Regularly clean and maintain the chassis according to the manufacturer's guidelines. Check for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For inquiries regarding safety or product information, please refer to the manufacturer's website or contact your local dealer.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your Foundation Takedown Chassis. Thank you for your attention to safety.
