JAE Chassis R700 SA RH BLK Safety Instruction Guide

Introduction

Thank you for choosing the JAE700 G4 Chassis (REM700 Short Action). This product combines the strength and stability of a chassis with the ergonomics and beauty of a traditional stock. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the JAE700 G4 Chassis responsibly and with care.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your firearm model before installation.
- Always wear appropriate safety gear, such as eye protection, when using firearms.
- Do not modify the chassis or use it in a manner inconsistent with the manufacturer's instructions.
- Be mindful of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Carefully read the installation instructions provided with the chassis.
- Ensure that all necessary tools are available before beginning installation.
- Align the chassis with your firearm according to the manufacturer's specifications.
- Securely fasten all components to ensure stability and safety.
- Doublecheck all screws and attachments to confirm that they are tight.

2. Usage:

- Familiarize yourself with the adjustable magwell feature to improve magazine feeding.
- Practice handling the chassis in a safe environment before participating in matches or shooting at the range.
- Always follow the basic rules of firearm safety, including treating every firearm as if it is loaded.

Disposal Instructions

- Dispose of the chassis according to local regulations for electronic waste and firearm accessories.
- Do not dispose of the chassis in household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the designated EU-based contact point provided by the manufacturer. Ensure you have the product details ready for a more efficient response.

Conclusion

Your safety and satisfaction are our top priorities. By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your JAE700 G4 Chassis. Always stay informed about product recalls and safety updates through official channels. Thank you for your attention and responsible use.
