

Miragecover silencer std Kevlar®/Cordura® (Ø max 60mm) Mk2

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

New updated version with, among other things, straps that tighten to attach the cover to the damper instead of the elastic cord used on the MK1. Inside, the cover has an insulating layer of Kevlar (R) that can withstand heat up to 250 degrees Celsius. On the outside it is made of heat-resistant Cordura (R). The shield is threaded onto the silencer and attached by tightening the 3 straps. The muffler cover fits most mufflers.

ULFHEDNAR Miragecover Silencer Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Miragecover Silencer. This product is designed to enhance your muffler's performance while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of your silencer cover.

General Safety Guidelines

- Ensure safe use of the ULFHEDNAR Miragecover Silencer by following these guidelines:
 - Always inspect the product before use to ensure it is in good condition.
 - Use the product only for its intended purpose.
 - Keep the product out of reach of children and vulnerable individuals.
 - Be aware of potential hazards associated with high temperatures, as the cover can withstand heat up to 250 degrees Celsius.
 - Regularly check for any signs of wear or damage and replace if necessary.
 - Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- When using the ULFHEDNAR Miragecover Silencer, please observe the following precautions:
 - Avoid contact with hot surfaces to prevent burns.
 - Do not exceed the maximum temperature limit of 250 degrees Celsius.
 - Ensure that the cover is securely attached to the muffler to prevent it from loosening during operation.
 - Do not use the product if it shows signs of damage or wear.
 - Follow all local regulations regarding the use of suppressors and silencers.

Instructions for Installation and Usage

1. Installation:

- Before installation, ensure that the muffler is cool to the touch.
- Slide the ULFHEDNAR Miragecover Silencer over the muffler, ensuring that it fits snugly.
- Use the three straps provided to secure the cover in place. Tighten the straps evenly to ensure a secure fit.
- Doublecheck that the cover is firmly attached and does not obstruct any exhaust outlets.

2. Usage:

- Once installed, monitor the silencer cover during use for any signs of looseness or damage.
- If you notice any issues, stop using the product immediately and inspect it for damage.
- Clean the cover as needed, following the manufacturer's recommendations for cleaning materials.

Disposal Instructions

- Dispose of the ULFHEDNAR Miragecover Silencer responsibly:
 - If the product is damaged or no longer usable, check local regulations for proper disposal methods.
 - Avoid disposing of the product in regular household waste if it can be recycled or requires special handling.

Contact Information for Further Support

- For any inquiries or support regarding the ULFHEDNAR Miragecover Silencer, please contact your local retailer or manufacturer. Ensure that you have your product information handy for quicker assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your ULFHEDNAR Miragecover Silencer.
