

# Miragecover silencer short Kevlar®/Cordura® (Ø max 60mm) Mk2

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

New updated version with, among other things, straps that tighten to attach the cover to the damper instead of the elastic cord used on the MK1. Inside, the cover has an insulating layer of Kevlar (R) that can withstand heat up to 250 degrees Celsius. On the outside it is made of heat-resistant Cordura (R). The shield is threaded onto the silencer and attached by tightening the 3 straps. The muffler cover fits most mufflers.

# ULFHEDNAR Miragecover Silencer Safety Instructions

## Introduction

Thank you for choosing the ULFHEDNAR Miragecover Silencer. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a silencer cover.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product away from children and vulnerable individuals.
- Always follow local regulations regarding the use of suppressors and silencer covers.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- The ULFHEDNAR Miragecover Silencer is designed to withstand heat up to 250 degrees Celsius. Avoid exposing it to temperatures beyond this limit.
- Do not use the cover if the silencer is excessively hot. Allow the silencer to cool before installation.
- Ensure that the cover is securely attached to the silencer using the provided straps. Loose covers can pose a safety risk.
- Regularly check the condition of the cover and straps for wear and tear. Replace if necessary.
- Avoid contact with sharp objects that may damage the cover.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the silencer is clean and free of debris.
- Allow the silencer to cool down if it has been used recently.

### 2. Installation:

- Position the ULFHEDNAR Miragecover over the silencer.
- Thread the cover onto the silencer, ensuring it fits snugly.
- Use the three straps to tighten and secure the cover to the silencer. Ensure the straps are firm but not overly tight to avoid damage.

### 3. Usage:

- Monitor the temperature of the silencer during use. If the cover becomes too hot to touch, stop using the device and allow it to cool.
- Do not alter or modify the cover in any way that may affect its performance or safety.

## Disposal Instructions

- Dispose of the ULFHEDNAR Miragecover Silencer in accordance with local regulations.
- Do not dispose of the product in regular household waste. Look for designated disposal facilities for technical textile materials.
- If the product is no longer usable, consider recycling where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product concerns, please reach out to the manufacturer or your point of purchase. They can provide assistance and further information regarding the ULFHEDNAR Miragecover Silencer.

Thank you for your attention to these safety instructions. Your safety is our priority.
