

Tru Dot FIXED PISTOL SET SIG - Tru Dot FIXED PISTOL SET SIG 40/45ACP G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET SIG Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET SIG. This product is designed to enhance your shooting accuracy in various lighting conditions. To ensure safe usage and optimal performance, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot FIXED PISTOL SET SIG by following the guidelines in this manual. This product meets EU safety standards.
- **Enhanced Recalls:** Be aware that if any safety issues arise, standardized recall notices will be issued. Free remedies will be provided for any dangerous products.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements as outlined by EU regulations.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle your firearm with care. Ensure it is unloaded when installing or adjusting the sights.
- **Installation:** Follow the installation instructions carefully to avoid any potential hazards.
- **Sighting System:** Understand that the TRUDOT® sighting system is designed for rapid aiming. Familiarize yourself with its operation before use.
- **LowLight Conditions:** While the sights are designed for lowlight conditions, ensure that you are in a safe environment when testing their effectiveness.
- **Regular Checks:** Regularly inspect the sights for any signs of wear or damage. Replace them if they are compromised.
- **Training:** Seek professional training if you are unfamiliar with firearms or sight systems.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded.
2. Remove the existing front and rear sights carefully.
3. Align the Tru Dot sights in the designated slots.
4. Secure the sights using the appropriate tools. Minor modifications may be needed for proper fit.
5. Confirm that the sights are firmly in place before use.

- **Usage:**

1. Familiarize yourself with the sighting system in a controlled environment.
2. Practice aiming in both daylight and lowlight conditions to understand the sight picture.
3. Maintain a proper grip and stance while aiming to ensure accuracy.
4. Regularly check your alignment and adjust as necessary.

Disposal Instructions

- **Disposal of Product:** At the end of its life cycle, dispose of the Tru Dot FIXED PISTOL SET SIG in accordance with local regulations.
- **Environmental Considerations:** Avoid disposing of the product in regular household waste. Check for recycling options or designated disposal sites for firearm accessories.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact the designated EU contact point associated with this product. Ensure you have your product details ready for any inquiries.

By following these safety instructions, you can ensure the safe and effective use of the Tru Dot FIXED PISTOL SET SIG. Always prioritize safety and seek professional guidance when necessary.
