

Tru Dot FIXED PISTOL SET RUGER P89 G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Ruger P89 G/G Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your Ruger P89. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care and in accordance with applicable laws and regulations.
- Store the product in a safe place, away from children and unauthorized users.
- Inspect the product regularly for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Tru Dot sights only with compatible firearms as specified in the product description.
- Avoid exposing the product to extreme temperatures, moisture, or corrosive substances.
- Do not attempt to modify the sights beyond the recommended installation procedures.
- Always verify that the firearm is unloaded before installing or adjusting the sights.
- Ensure that the sights are securely mounted before use to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from the firearm as per the manufacturer's instructions.
- Align the Tru Dot sights with the mounting slots on the firearm.
- Securely attach the sights using the provided screws or mounting hardware.
- Check that the sights are properly aligned and tightened before use.

2. Usage:

- Familiarize yourself with the sighting system before using the firearm in a live environment.
- Practice aiming with the Tru Dot sights in various lighting conditions to understand their effectiveness.
- Always follow safe firearm handling practices while aiming and shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot Fixed Pistol Set, please consult the manufacturer's website or customer service resources for further assistance.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the Tru Dot sights!
